

# WILSON CASE GAGE - 338 LAPUA MAGNUM CASE GAGE

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

The most important use of a cartridge case gage is for setting up 7/8"-14 press type full length resizing dies. A common error in reloading is to oversize your brass. Headspace of fired cases can quickly and accurately be measured using this tool and a caliper. Regular Style: This one piece gage will check overall length to indicate a need for trimming and datum to head length to assure correct headspace to prevent over sizing. Adjustable Style: For belted mags. While the belt provides support for proper headspace, the life of the case will drastically shorten unless resizing is held to a minimum at the shoulder. SPECIAL ORDER CASE GAGES ARE AVAILABLE---MEASURE CASE LENGTH ONLY

## Attributes

- Name: [338 LAPUA MAGNUM CASE GAGE](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749011860
- Mfr. No.: CG-338L
- Cartridge: 338 Lapua Mag
- Delivery weight: 0.209kg
- Shipping height: 28mm
- Shipping width: 36mm
- Shipping length: 86mm
- UPC: 857949005098

# Safety Instruction Guide for WILSON CASE GAGE 338 LAPUA MAGNUM CASE GAGE

## Introduction

Thank you for choosing the WILSON CASE GAGE 338 LAPUA MAGNUM CASE GAGE. This guide provides essential safety information and instructions for the proper use and handling of this product. Please read this guide carefully to ensure safe and effective usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the WILSON CASE GAGE by following all instructions. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates regarding any safety concerns related to this product.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use may lead to incorrect resizing of cartridge cases, which can affect firearm safety and functionality.
  - Ensure that the gage is not damaged or worn before use.
- **Avoiding Hazards:**
  - Always inspect the gage for any visible defects before use.
  - Do not exceed the recommended limits for resizing brass.
  - Follow all manufacturer guidelines for usage and maintenance.

## Instructions for Installation and Usage

- **Setup:**
  - Ensure that your reloading press is securely mounted and stable.
  - Attach the WILSON CASE GAGE to the press according to the manufacturer's instructions.
- **Using the Gage:**
  - For **Regular Style:**
    - Insert the cartridge case into the gage to check overall length. If trimming is needed, adjust accordingly.
    - Measure the datum to head length to confirm correct headspace.
  - For **Adjustable Style:**
    - Use this style specifically for belted magnums.
    - Measure the shoulder of the case to avoid excessive resizing.
    - Maintain minimal resizing at the shoulder to prolong case life.
- **PostUse:**
  - After each use, clean the gage to remove any debris or residue.
  - Store the gage in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or worn parts of the WILSON CASE GAGE according to local regulations for hazardous waste.
- Do not dispose of the product in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For assistance or inquiries regarding the WILSON CASE GAGE, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your purchase details at hand for any support requests.

By adhering to these safety guidelines and instructions, you can ensure safe and effective use of the WILSON CASE GAGE 338 LAPUA MAGNUM CASE GAGE. Thank you for prioritizing your safety and the safety of others while using this product.
