

# RIFLE CASE HOLDERS - L.E. WILSON 243 ACKLEY IMPROVED FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 243 Ackley Improved Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 243 Ackley Improved Fired Case Holder. This product is designed to hold cases securely during trimming, primer pocket reaming, neck reaming, and deburring processes. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the product manual before use.
- Ensure that the product is suitable for your specific cartridge type.
- Inspect the case holder for any signs of damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with approved case types: Fired, New, Neck Sized, or Full Length Sized cases.
- Do not attempt to modify or repair the case holder.
- Always wear appropriate safety gear, including eye protection, when using the product.
- Ensure a clear workspace to avoid accidents during operation.
- Store the case holder in a safe, dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the work area is clean and free of clutter.
- Gather all necessary tools and safety equipment.

### 2. Installation:

- Place the case holder securely in your trimmer.
- Ensure that it is properly aligned and locked in place according to the trimmer's instructions.

### 3. Usage:

- Insert the fired case into the case holder.
- Make sure the case is seated properly and supported by the holder.
- Follow the trimmer's instructions for trimming or reaming the case.
- After use, carefully remove the case from the holder.

### 4. PostUsage:

- Clean the case holder after each use to remove any debris or residue.
- Inspect the holder for wear and tear before storing it.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the L.E. Wilson 243 Ackley Improved Fired Case Holder, please refer to the manufacturer's contact information available on the product packaging or official website.

Thank you for prioritizing safety while using the L.E. Wilson 243 Ackley Improved Fired Case Holder. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
