

RIFLE CASE HOLDERS - L.E. WILSON 6MM DASHER CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 6mm Dasher Case Holder

Introduction

Thank you for choosing the L.E. Wilson 6mm Dasher Case Holder. This guide provides important safety information and instructions for the safe use of this product. Please read and understand these guidelines before using the case holder to ensure your safety and the effective operation of the product.

General Safety Guidelines

- Ensure that the case holder is used only for its intended purpose, which is to hold cases for trimming, primer pocket reaming, neck reaming, and deburring.
- Always inspect the case holder before use for any signs of damage or wear that may compromise safety.
- Keep the case holder out of reach of children and unauthorized users to prevent accidents.
- Use the case holder in a welllit and organized workspace to reduce the risk of accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the case holder.
- Follow all manufacturer instructions carefully to avoid misuse and potential hazards.
- Report any unsafe products or accidents to local authorities to ensure consumer safety.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from sharp tools during trimming and reaming processes.
- Risk of case damage if the holder is not compatible with the case type.

- **Avoiding Hazards:**

- Always ensure that the case holder is properly secured before beginning any trimming or reaming operation.
- Do not use the case holder with cases that are not compatible (i.e., fired, new, necksized, or fulllength sized) unless specified.
- Do not attempt to modify the case holder or use it for purposes other than those intended.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the L.E. Wilson 6mm Dasher Case Holder, trimming tools, and personal protective equipment.
- Ensure your workspace is clean and wellorganized.

2. Installation:

- Place the case holder securely in your trimmer setup according to the manufacturer's instructions.
- Ensure the holder is properly aligned and locked in place before use.

3. Usage:

- Insert the case into the holder, ensuring it is seated correctly.
- Follow the manufacturer's guidelines for trimming, reaming, or deburring the case.

- Monitor the case and holder during operation to ensure everything is functioning correctly.
- After use, remove the case from the holder and clean the holder as necessary.

Disposal Instructions

- Dispose of the case holder responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for tools and accessories.
- Consider recycling if the materials are suitable and local facilities allow.

Contact Information for Further Support

For any inquiries related to safety or product use, please refer to the manufacturer or authorized retailers for assistance.

This guide is designed to ensure that you can use the L.E. Wilson 6mm Dasher Case Holder safely and effectively. Thank you for your attention to these important safety instructions.
