Introduction

Thank you for choosing Nosler CUSTOM COMPETITION 22 CALIBER (0.224") HPBT BULLETS. This guide provides essential safety instructions to ensure the safe and effective use of these bullets. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your country or region.
- Always store bullets in a cool, dry place, away from direct sunlight and heat sources.
- Keep bullets out of reach of children and unauthorized individuals.
- Use appropriate safety equipment, such as eye protection and hearing protection, when handling and using firearms.
- Regularly inspect your firearms to ensure they are in good working condition before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for loading and firing ammunition.
- Use only firearms that are specifically designed for 22 caliber ammunition.
- Verify that the bullet is suitable for your firearm before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or defective bullets.
- Do not attempt to modify or alter the bullets in any way.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.
- Always treat firearms as if they are loaded, even if you believe they are not.

Instructions for Installation and Usage

1. Loading the Bullets:

- Open the bullet box carefully to avoid spilling.
- Using clean hands, load the bullets into the appropriate cartridges as per the firearm's specifications.
- Ensure that the bullets are seated properly.

2. Firing the Bullets:

- Ensure that you are in a safe shooting area with a proper backstop.
- Always wear appropriate safety equipment, including eye and ear protection.
- Follow proper firearm handling techniques.
- Aim at the intended target and fire only when it is safe to do so.

3. PostFiring:

- After firing, ensure that the firearm is unloaded before handling it.
- Inspect the firearm and ammunition for any signs of damage or malfunction.
- Store unused bullets in their original packaging to maintain safety.

Disposal Instructions

- Do not dispose of bullets in regular household waste.
- Follow local regulations for the disposal of ammunition and hazardous materials.
- Contact local authorities or waste management facilities for guidance on safe disposal methods.
