# Safety Instruction Guide for CUSTOM COMPETITION 30 CALIBER HPBT BULLETS

## Introduction

Thank you for choosing Nosler CUSTOM COMPETITION 30 CALIBER (0.308") HPBT BULLETS. These high-performance match bullets are designed for precision shooting and are suitable for experienced shooters. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with the proper handling and use of ammunition before using this product.
- Store bullets in a cool, dry place away from direct sunlight and moisture to maintain their performance.
- Keep this product out of reach of children and unauthorized persons.
- Always use appropriate safety gear, including eye and ear protection, when handling and shooting.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle bullets with care to prevent accidental discharge.
- Do not use damaged or deformed bullets.
- Ensure that your firearm is compatible with 30 caliber (0.308") ammunition before use.
- Avoid using bullets in firearms that are not specifically designed for this caliber.
- Follow all local laws and regulations regarding the use of ammunition.
- Do not mix different brands or types of ammunition in your firearm.
- If you experience any malfunctions while shooting, stop using the firearm immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your shooting area is safe and secure.
- Check that your firearm is unloaded before handling the bullets.

### 2. Loading the Bullets:

- Follow the manufacturer's instructions for loading bullets into your firearm.
- Use only the recommended amount of powder as specified in your reloading manual.

### 3. Shooting:

- Always aim in a safe direction and be aware of your surroundings.
- Keep your finger off the trigger until you are ready to shoot.
- After firing, check your firearm for any signs of malfunction before reloading.

### 4. PostShooting:

- Clean your firearm according to the manufacturer's guidelines after use.
- Store any unused bullets safely in their original packaging.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste. Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional information regarding the CUSTOM COMPETITION 30 CALIBER HPBT BULLETS, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can enjoy a safe and successful shooting experience. Thank you for prioritizing safety and compliance while using our products.
