CUSTOM COMPETITION 30 CALIBER HPBT BULLETS CONSUMER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CUSTOM COMPETITION 30 CALIBER (0.308") HPBT BULLETS by Nosler. This product is designed for highperformance shooting and is suitable for both high power and longrange applications. It is essential to understand the safety guidelines associated with its use to ensure safe handling and performance.

General Safety Guidelines

- Always treat every bullet as if it is live and capable of causing harm.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection while handling and shooting.
- Familiarize yourself with local laws and regulations regarding the use and storage of ammunition and components.
- Regularly check for recall notices and updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 30 caliber (0.308") ammunition.
- Inspect bullets for any visible damage before use; do not use damaged or deformed bullets.
- Always follow the manufacturer's loading instructions and guidelines to avoid overcharging or undercharging.
- Handle bullets and ammunition in a wellventilated area to minimize exposure to lead dust and other contaminants.
- Avoid eating, drinking, or smoking in the vicinity of bullet handling to prevent ingestion of harmful materials.

Instructions for Installation and Usage

• Installation:

- Carefully read the loading manual provided with your reloading equipment.
- Use a clean, dry workspace free of clutter to prevent accidents.
- Wear gloves to minimize direct contact with bullets and to protect your hands.

• Usage:

- Load bullets according to the specifications for 30 caliber (0.308") ammunition.
- Ensure the firearm is pointed in a safe direction at all times during loading and unloading.
- After loading, doublecheck that the firearm is properly secured and that there are no obstructions in the barrel.
- When ready to shoot, adopt a stable shooting position and ensure a clear line of sight to your target.
- Follow all range safety rules and regulations while shooting.

Disposal Instructions

- Dispose of unused or expired bullets in accordance with local hazardous waste disposal regulations.
- Do not throw bullets in regular household waste; check with local authorities for proper disposal methods.

- If you have any leftover lead or bullet components, contact your local recycling center to inquire about safe recycling options.

Contact Information for Further Support

For any safety inquiries or further support regarding the CUSTOM COMPETITION 30 CALIBER HPBT BULLETS, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safer shooting experience while maximizing the performance of your CUSTOM COMPETITION 30 CALIBER HPBT BULLETS. Thank you for prioritizing safety and responsibility in your shooting activities.
