Safety Instruction Guide for Nosler Custom Competition Bullets

Introduction

Thank you for choosing Nosler Custom Competition Bullets. This guide provides essential safety information to ensure the safe use of our .45 Caliber (0.451) 185GR bullets. It is important to follow these guidelines to minimize risks and ensure a safe shooting experience.

General Safety Guidelines

- Always treat all bullets as if they are loaded.
- Keep bullets out of reach of children and unauthorized persons.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Inspect bullets for any signs of damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling and shooting.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with .45 caliber ammunition before use.
- Always verify that the firearm is unloaded before loading bullets.
- Use only recommended reloading data when handloading these bullets.
- Avoid using damaged or worn firearms.
- Do not exceed the maximum load specifications provided by the bullet manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never shoot at hard surfaces or water to prevent ricochets.

Instructions for Installation and Usage

1. Loading the Bullets:

- Open the bullet box carefully to avoid damaging the bullets.
- Using clean hands, take one bullet at a time from the box.
- Insert the bullet into the firearm's chamber or magazine according to the firearm's manual.

2. Firing the Bullets:

- Always point the firearm in a safe direction.
- Ensure that the firearm is in good working order.
- Follow the manufacturer's instructions for firing the firearm.
- Maintain a firm grip and stance while shooting.

3. PostUse Care:

- After shooting, ensure that the firearm is unloaded.
- Clean the firearm according to the manufacturer's instructions.
- Store any remaining bullets securely in their original box.

Disposal Instructions

- Do not dispose of bullets in regular trash.
- Follow local regulations for the disposal of ammunition.
- If you have unused or expired bullets, contact local authorities or hazardous waste disposal facilities for guidance.

Contact Information for Further Support
