

GAS CHECKS - 22 CALIBER GAS CHECKS 1,000/BOX

[Reloading](#) > [Bullet Casting](#) > [Gas Checks](#)

If you cast your own bullets, Hornady's crimp-on gas checks will enhance their performance. During sizing, the gas check crimps to the base of cast lead bullets to seal gasses and protect the base from deformation. Hornady gas checks are the only real choice for bullet casters. Packaged 1000 per box.

Safety Instruction Guide for Hornady 22 Caliber Gas Checks

Introduction

Thank you for choosing Hornady 22 Caliber Gas Checks. These crimped gas checks are designed to enhance the performance of your cast lead bullets. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling and usage of gas checks.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on the EU's Safety Gate platform regarding product recalls.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling gas checks.
- Do not use damaged or deformed gas checks; inspect them before use.
- Store gas checks in a cool, dry place away from direct sunlight and moisture.
- Avoid using gas checks with incompatible bullet types or materials.
- Follow local regulations regarding the use of lead materials in ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure all necessary tools are available, including a bullet sizing die compatible with the gas checks.
- Clean your casting area to prevent contamination.

2. Installation:

- Place the gas check onto the base of the cast lead bullet.
- Using a sizing die, apply pressure to crimp the gas check securely onto the bullet base.

3. Usage:

- Load the bullets into your firearm according to the manufacturer's specifications.
- Always follow safe shooting practices and local laws regarding ammunition use.

4. PostUse:

- Clean your equipment and workspace after use to prevent lead exposure.
- Dispose of any waste materials according to local regulations.

Disposal Instructions

- Dispose of any unused or damaged gas checks in accordance with local waste management regulations.
- Do not dispose of lead materials in regular household waste. Check for local recycling programs for lead.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of Hornady 22 Caliber Gas Checks, please refer to the manufacturer's contact details provided on the packaging or visit the official Hornady website.

By following these safety instructions, you can ensure a safe and effective experience while using Hornady 22 Caliber Gas Checks. Thank you for your attention to safety!
