

# STAINLESS NECK SIZING DIES - L.E. WILSON 338 LAPUA MAGNUM BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for L.E. Wilson 338 Lapua Magnum Bushing Neck Die

## Introduction

Thank you for choosing the L.E. Wilson 338 Lapua Magnum Bushing Neck Die. This product is designed to enhance your reloading experience by allowing you to control the neck sizing of your cartridge cases. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the die and all reloading equipment out of reach of children and unauthorized users.
- Always wear appropriate safety gear, such as safety glasses, while using this product.
- Inspect the die and bushings for any signs of damage before use.
- Follow all local laws and regulations regarding ammunition reloading and usage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling or use of the die can lead to personal injury or damage to the equipment.
- The use of incorrect bushings may result in improper neck sizing, affecting accuracy and safety.

- **Avoiding Hazards:**

- Always use the correct bushing size for your cartridge case.
- Ensure that the die is securely mounted in the Arbor Press before use.
- Do not exceed the recommended neck sizing specifications.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment during operation.

- **Age and Audience Specific Warnings:**

- This product is intended for use by adults who are knowledgeable in reloading practices. It is not suitable for children.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that your Arbor Press is on a stable surface.
2. Securely mount the neck die into the Arbor Press according to the manufacturer's instructions.
3. Attach the appropriate sizing bushing to the die.

- **Usage:**

1. Prepare your cartridge cases by cleaning and inspecting them.
2. Insert the cartridge case into the neck die.
3. Operate the Arbor Press to size the neck of the cartridge case to the desired measurement (3/16" from the mouth end).
4. Remove the cartridge case and inspect for proper sizing.

5. Repeat the process for additional cases as needed.

- **Maintenance:**

- Clean the die and bushings after use to prevent corrosion and maintain performance.
- Store the die and bushings in a dry place, away from moisture.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies and bushings in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check for recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the L.E. Wilson 338 Lapua Magnum Bushing Neck Die, please refer to the relevant support channels provided by the manufacturer or authorized retailers.
