Safety Instruction Guide for Redding Full Length Die Set 9.3X62MM Mauser

Introduction

Thank you for choosing the Redding Full Length Die Set for 9.3X62MM Mauser. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this document carefully before using the die set to avoid any potential hazards.

General Safety Guidelines

- Always ensure that you are using the die set in a wellventilated area to avoid inhaling any dust or particles.
- Keep the die set out of reach of children and unauthorized persons.
- Inspect the die set for any visible defects before use. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the die set.
- Follow all applicable local, national, and EU regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with the specific cartridge you are using (9.3 x 62 Mauser).
- Do not modify the die set in any way, as this may lead to unsafe conditions.
- Always follow the manufacturer's instructions for setting up and using the die set.
- Avoid overtightening the dies in the press, as this may cause equipment failure.
- Be aware of the potential for lead exposure when handling ammunition components. Wash hands thoroughly after use.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted on a stable work surface.
- Insert the full length sizing die into the press and tighten securely.
- Adjust the die according to the manufacturer's instructions to ensure proper sizing of the cartridge.

2. Usage:

- Begin by preparing your brass cartridges according to standard reloading procedures.
- Use the full length sizing die to resize the brass to the correct dimensions.
- Follow with the standard seating die to seat the bullet to the desired depth.
- Always doublecheck the measurements of the finished cartridges before use.

Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Do not throw the die set in regular household waste.
- For damaged or broken equipment, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Redding Full Length Die Set, please refer to the manufacturer's

contact details provided with the product packaging. It is important to have this information readily available for any safety inquiries or issues that may arise.

Conclusion

By following these safety instructions, you will ensure a safer reloading experience with the Redding Full Length Die Set for 9.3X62MM Mauser. Remember to prioritize safety and compliance with all regulations during your reloading activities. Thank you for your attention to these important guidelines.
