

TRIM DIES - REDDING TRIM DIE 35 WHELEN ACKLEY IMP 40

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

Attributes

- Name: [REDDING TRIM DIE 35 WHELEN ACKLEY IMP 40](#)

Safety Instruction Guide for Redding Trim Die 35 Whelen Ackley Imp 40

Introduction

Thank you for choosing the Redding Trim Die 35 Whelen Ackley Imp 40. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the die.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the die for signs of wear or damage before use.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Handling:** Always handle the die with care. Avoid dropping or mishandling it to prevent damage.
- **Installation:** Follow the installation instructions carefully to avoid accidents or improper use.
- **Trimming Process:** When using the die for trimming, ensure that the cases are properly secured to prevent slipping or movement during the process.
- **Cleaning:** Clean the die regularly to maintain its performance. Use appropriate cleaning tools and avoid abrasive materials that may damage the surface.
- **Storage:** Store the die in a dry, secure place when not in use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Redding Trim Die.
- Secure the die in the reloading press according to the manufacturer's guidelines.
- Adjust the die to the desired height for trimming.

2. Usage:

- Prepare your cases by ensuring they are free of debris and properly sized.
- Insert the case into the die and secure it.
- Operate the reloading press smoothly to trim the case to the desired length.
- After trimming, remove the case and inspect it for consistency.

3. PostUsage Care:

- Clean the die after each use to remove any brass shavings or residues.
- Store the die in its original packaging or a secure container.

Disposal Instructions

- Dispose of any damaged or unusable parts of the die in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further assistance regarding the Redding Trim Die 35 Whelen Ackley Imp 40, please refer to the contact information provided by the manufacturer or your retailer.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Redding Trim Die.
