

ORANGE MAGIC LUBE - LYMAN ORANGE MAGIC LUBE

[Reloading](#) > [Bullet Casting](#) > [Bullet Lubricant](#)

Great for high-performance loads, Orange Magic Premium Bullet Lube helps produce higher velocities from cast pistol and rifle bullets while minimizing leading in the barrel. Hard lube won't melt out of loaded ammo when stored in high temperature conditions such as a hot vehicle. Warning: Melting lead and casting lead objects will expose you and others in the area to lead, which is known to cause birth defects, other reproductive harm and cancer. See Instructions on Reducing Exposure supplied with product.

Attributes

- Name: [LYMAN ORANGE MAGIC LUBE](#)
- Manufacturer: [LYMAN](#)
- Product no.: 749012460
- Mfr. No.: 2857286
- Size: 1.5 oz
- Delivery weight: 0.023kg
- Shipping height: 25mm
- Shipping width: 28mm

ORANGE MAGIC LUBE Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for ORANGE MAGIC LUBE by LYMAN. This guide provides essential safety information to ensure the safe use of this product. Orange Magic Premium Bullet Lube is designed for highperformance loads, helping to achieve higher velocities from cast pistol and rifle bullets while minimizing leading in the barrel. Please read this guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling the product.
- Be aware of the potential hazards associated with lead exposure, including birth defects, reproductive harm, and cancer.
- Follow all local regulations regarding the use and disposal of products containing lead.

Specific Safety Precautions for Use

- Avoid inhaling dust or fumes when using or melting the product.
- Do not eat, drink, or smoke while using the product to prevent accidental ingestion of lead.
- Ensure proper ventilation in the area where the product is used to minimize exposure to harmful substances.
- If you experience any symptoms of lead exposure (e.g., headaches, dizziness, nausea), seek medical attention immediately.
- Dispose of any waste materials in accordance with local environmental regulations.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before beginning the application process.
- Ensure the working area is clean and free from debris.

2. Application:

- Apply Orange Magic Lube evenly to the surface of the bullets using a suitable applicator.
- Ensure that the lube is applied in a thin, uniform layer to avoid excess leading in the barrel.

3. Storage:

- Store the product in its original container with the lid tightly closed.
- Keep the container in a cool, dry place away from heat sources and direct sunlight.

4. Cleaning:

- Clean any spills immediately using appropriate cleaning materials.
- Dispose of cleaning materials in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or waste product in accordance with local hazardous waste disposal regulations.
- Do not pour the product down drains or dispose of it in regular household waste.
- Check with local authorities for specific disposal guidelines related to products containing lead.

Contact Information for Further Support

For any questions or concerns regarding the use of ORANGE MAGIC LUBE, please refer to the product packaging for contact details or consult your local distributor.

By following these safety guidelines and instructions, you can ensure the safe and effective use of ORANGE MAGIC LUBE. Thank you for choosing our product.
