# EZEE Powder Funnel Safety Instruction Guide

## Introduction

Thank you for choosing the EZEE Powder Funnel by Lyman. This guide provides essential safety instructions and usage guidelines to ensure your experience with this product is safe and effective. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the funnel with care to avoid spills or accidents.
- Keep the funnel out of reach of children and vulnerable individuals.
- Regularly check the funnel for any signs of damage or wear before use.
- Do not use the funnel if it is damaged or shows signs of wear.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the funnel in a wellventilated area to avoid inhaling any powder particles.
- Always wear appropriate personal protective equipment, such as safety glasses and gloves, when handling powders.
- Ensure that the funnel is securely positioned before pouring to prevent spills.
- Avoid overfilling the funnel to minimize the risk of spillage.
- Do not use the funnel near open flames or heat sources.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free from any obstructions.
- Gather all necessary materials, including the powder and the cases you will be filling.

### 2. Positioning the Funnel:

- The EZEE Powder Funnel features a twoposition handle for versatility. Choose between bench mounting or handheld use based on your preference.
- If bench mounting, securely attach the funnel to your work surface to prevent movement during use.

### 3. Using the Funnel:

- Select the appropriate case mouth size for your powder and ensure that it fits snugly in the funnel's flared end.
- Carefully pour the powder into the funnel, ensuring that you do not exceed the funnel's capacity.
- Allow the powder to flow freely into the case, ensuring an even fill.

### 4. PostUse Care:

- After use, clean the funnel thoroughly to prevent contamination of different powders.
- Store the funnel in a safe, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the funnel in accordance with local regulations regarding plastic waste.
- If the funnel is damaged beyond use, ensure it is disposed of safely to prevent any hazards.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please consult the manufacturer's website or contact the appropriate support channels in your region.

Thank you for your attention to these safety guidelines. Enjoy using your EZEE Powder Funnel responsibly!
