# SHELLHOLDERS LYMAN #12 SHELLHOLDER Safety Instruction Guide

## Introduction

Thank you for choosing the SHELLHOLDERS LYMAN #12 SHELLHOLDER. This product is designed to assist in the reloading of ammunition safely and efficiently. It is important to follow all safety guidelines to ensure a safe experience while using this product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the shellholder by following the instructions provided. This product complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect this product. If a recall occurs, you will be provided with free remedies for any safety issues.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, you may contact the manufacturer or authorized retailers based in the EU.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding any unsafe products.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling reloading components.
- **Check Compatibility:** Ensure that the shellholder is compatible with the cartridges you are using. Refer to the specifications for cartridge compatibility.
- **Inspect for Damage:** Before each use, inspect the shellholder for any signs of wear or damage. Do not use if damaged.
- **Avoid Overloading:** Follow the manufacturer's guidelines for the maximum number of cartridges to be used with the shellholder.
- **Keep Workspace Clean:** Maintain a clean and organized workspace to minimize the risk of accidents.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your reloading press is securely mounted and stable.
  2. Select the appropriate shellholder for your cartridge type.
  3. Insert the shellholder into the reloading press according to the manufacturer's instructions.
  4. Ensure that the shellholder is firmly seated and locked in place before use.
- **Usage:**
  1. Place the cartridge case into the shellholder.
  2. Operate the reloading press according to the manufacturer's instructions.
  3. Do not force the cartridge into the shellholder. If it does not fit, check for compatibility.
  4. After use, remove the shellholder from the press and clean it as necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn shellholders in accordance with local regulations for waste disposal.
- Do not throw shellholders into regular trash if they are hazardous or contain materials that require special handling.
- Recycle components where applicable and ensure environmentally friendly disposal.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the SHELLHOLDERS LYMAN #12 SHELLHOLDER, please reach out to your retailer or the manufacturer directly.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SHELLHOLDERS LYMAN #12 SHELLHOLDER. Thank you for your attention to safety.
