# Safety Instructions for TOP PUNCH 421

## Introduction

Thank you for choosing the TOP PUNCH 421. This product is designed to work seamlessly with sizing dies to protect the bullet nose as bullets are processed. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe usage of the TOP PUNCH 421 by following these guidelines:
  - Always read the product manual before use.
  - Keep the product out of the reach of children and vulnerable individuals.
  - Inspect the product for any damage or wear before each use.
  - Use the product only for its intended purpose as described in this manual.
  - Avoid using the product if you are under the influence of drugs or alcohol.
  - Report any accidents or unsafe conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- To minimize risks associated with the use of the TOP PUNCH 421, adhere to the following precautions:
  - Wear appropriate safety gear, including eye protection, when using the product.
  - Ensure your workspace is clean and free of obstacles before starting.
  - Do not exceed the manufacturer's recommendations for pressure or force when using the product.
  - Avoid placing your hands or any body parts near moving parts during operation.
  - Always follow the manufacturer's instructions regarding compatibility with sizing dies.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the TOP PUNCH 421:

### 1. Installation:

- Ensure the sizing die is securely mounted in your reloading press.
- Insert the TOP PUNCH 421 into the sizing die according to the manufacturer's instructions.
- Tighten any screws or fasteners to secure the top punch in place.

### 2. Usage:

- Place the bullet into the sizing die with the nose facing downward.
- Activate the reloading press to push the bullet through the die.
- Monitor the process closely to ensure the bullet is being sized correctly.
- Once completed, remove the bullet from the die and inspect for any damage.

## Disposal Instructions

- When disposing of the TOP PUNCH 421, please follow these guidelines:
  - Do not dispose of the product in regular household waste.
  - Check local regulations for proper disposal methods for metal products.
  - If the product is damaged or no longer usable, consider recycling options.

## **Contact Information for Further Support**

- For any questions or concerns regarding the TOP PUNCH 421, please refer to the manufacturer's official contact information found in the product packaging or manual.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with the TOP PUNCH 421.
