

# TURBO SONIC CLEANING SOLUTIONS AND ACCESSORIES - LYMAN CASE CLEANING SOLUTION 16OZ

[Reloading](#) > [Case Cleaning](#) > [Ultrasonic Case Cleaners](#)

Cleaning with UltraSonics requires the correct solution for the correct cleaning application. Lyman has partnered with a renowned chemical research team to develop the right solutions for use with today's UltraSonic Cleaners. Lyman's Turbo Sonic case cleaning solution was formulated to deliver premium results in cleaning cases inside and out. Lyman's gun parts solution is the perfect choice for steel and stainless steel parts such as barrels, cylinders or other parts. Available in several sizes to suit your needs. Specifically formulated for ultrasonic use right out of the bottle, Turbo Sonic Gun Lube displaces moisture and penetrates all the hard to reach areas of any part making it ideal for use after ultrasonic cleaning. Formulated for superior firearms lubrication and protection, the lube leaves a dry protective, lubricating film and can be reused repeatedly. Handy 5 Gallon Container for volume users - ideal for Power Pro users! Pouring spout extends for easy pouring with no mess.

## Safety Instruction Guide

### Introduction

Thank you for choosing Lyman's Turbo Sonic Cleaning Solutions. This guide provides essential safety instructions to ensure the safe and effective use of our ultrasonic cleaning solutions. Please read this guide carefully before using the product.

### General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Always store the cleaning solution in its original container, tightly sealed and in a cool, dry place.
- Be aware of potential hazards associated with the product, including skin and eye irritants.
- Check for any product recalls or safety alerts on the EU Safety Gate platform.

### Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Always wear gloves and safety goggles when handling the cleaning solution.
  - Use a mask if there is a risk of inhaling fumes.
- **Ventilation:**
  - Ensure proper ventilation in the area where the product is used to avoid inhalation of vapors.
- **Spillage:**
  - In case of spillage, clean up immediately using appropriate absorbent materials. Dispose of waste according to local regulations.
- **First Aid:**
  - In case of skin contact, wash the affected area with plenty of water and seek medical advice if irritation persists.
  - If the solution comes into contact with eyes, rinse cautiously with water for several minutes and seek medical attention.

### Instructions for Installation and Usage

- **Preparation:**
  - Before using the Turbo Sonic cleaning solution, ensure that the ultrasonic cleaner is clean and free of residues.
- **Mixing:**
  - Follow the manufacturer's instructions for diluting the cleaning solution if necessary. Use only the recommended dilution ratios.
- **Loading:**
  - Place items to be cleaned in the ultrasonic cleaner basket, ensuring they do not touch each other to allow for effective cleaning.
- **Operating the Ultrasonic Cleaner:**
  - Fill the ultrasonic cleaner tank with the cleaning solution as per the manufacturer's guidelines.
  - Set the appropriate cleaning time and temperature based on the items being cleaned.
- **PostCleaning:**
  - After cleaning, rinse the items thoroughly with clean water to remove any cleaning solution residues.
  - Dry the items completely before storage or use.

## **Disposal Instructions**

- Dispose of any unused cleaning solution and containers in accordance with local regulations.
- Do not pour the solution down the drain or dispose of it in regular household waste.
- Always check for local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Turbo Sonic Cleaning Solutions, please reach out to the designated contact point provided by the manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with Lyman's Turbo Sonic Cleaning Solutions. Always prioritize safety and compliance with local regulations when using chemical products. Thank you for your attention to these important safety guidelines.
