

STAINLESS STEEL MEDIA - SINCLAIR INTERNATIONAL BRASS CASE BRITE MEDIA, STAINLESS STEEL, 5 POUNDS

[Reloading](#) > [Case Cleaning](#) > [Tumbling Media & Additives](#)

5 lbs. of hard-working stainless steel tumbling media that easily cleans the most heavily tarnished cases, both inside and out - including the primer pockets - without harming the brass. Stainless steel media never wears out and never needs renewing like treated organic media. For wet tumbling use, do not dry tumble. Not for use in vibratory tumblers.

Safety Instruction Guide for STAINLESS STEEL MEDIA

Introduction

Thank you for choosing the STAINLESS STEEL MEDIA from Sinclair International. This guide provides important safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before using the stainless steel tumbling media.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep the product away from children and vulnerable individuals.
- Always follow the instructions provided in this guide to avoid potential hazards.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.
- Regularly check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Hazard Identification:

- The stainless steel media is designed for cleaning brass cases. Ensure that it is not used for any other purpose.
- Do not use the stainless steel media in vibratory tumblers.

• Avoiding Hazards:

- Do not dry tumble the stainless steel media; it is intended for wet tumbling use only.
- Handle the media with care to avoid injury from sharp edges.
- Always wear appropriate protective gear, such as gloves and safety goggles, when handling the media.

• AgeSpecific Warnings:

- This product is not suitable for children. Keep out of reach of children to prevent accidental ingestion or injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the tumbling equipment is clean and free from any contaminants.
- Gather all necessary materials including the stainless steel media, brass cases, and a suitable tumbling solution.

2. Using the Product:

- Add the stainless steel media to the tumbling equipment as per the manufacturer's instructions.
- Add the brass cases and tumbling solution to the equipment.
- Ensure that the lid of the tumbling equipment is securely closed before starting the operation.
- Follow the recommended tumbling time provided by the equipment manufacturer for optimal results.

3. After Use:

- Once the tumbling process is complete, carefully remove the brass cases and stainless steel media from the equipment.
- Rinse the brass cases thoroughly to remove any remaining tumbling solution and media particles.

Disposal Instructions

- Dispose of any unused or waste stainless steel media responsibly.
- Check local regulations for the proper disposal of metal products.
- Do not dispose of the stainless steel media in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the STAINLESS STEEL MEDIA, please contact the manufacturer directly for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
