

LRX® 30 CAL (.308") POLYMER TIP BOAT TAIL RIFLE BULLETS - BARNES BULLETS LRX 30 CALIBER (0.308") POLYMER TIP BT 200GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

Attributes

- Name: [BARNES BULLETS LRX 30 CALIBER \(0.308"\) POLYMER TIP BT 200GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

Safety Instruction Guide for LRX® 30 CAL (.308") Polymer Tip Boat Tail Rifle Bullets

Introduction

Thank you for choosing the LRX® 30 CAL (.308") Polymer Tip Boat Tail Rifle Bullets by Barnes Bullets. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read this document carefully before using the bullets.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety practices and the safe handling of ammunition.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect ammunition for any signs of damage or defects before use.
- Follow local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only in firearms that are specifically chambered for .308 caliber ammunition.
- Always wear eye and ear protection when handling or firing firearms.
- Avoid using damaged or improperly maintained firearms.
- Do not exceed the recommended load specifications for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that the bullet is seated correctly in the cartridge case before loading into the firearm.

Instructions for Installation and Usage

1. Loading the Bullets:

- Carefully open the box of LRX® 30 CAL bullets.
- Use clean, dry hands to handle the bullets.
- Ensure that the bullet's polymer tip is not damaged before loading.
- Follow the reloading instructions provided by your reloading equipment manufacturer.

2. Firing the Bullets:

- Load the cartridge into the firearm according to the manufacturer's instructions.
- Ensure the firearm is pointed in a safe direction before pulling the trigger.
- After firing, inspect the firearm and ammunition for any malfunctions or issues.

3. Post Use:

- Clean your firearm according to the manufacturer's guidelines after each use.
- Store any unused bullets in their original packaging and in a secure location.

Disposal Instructions

- Dispose of any damaged or defective bullets in accordance with local regulations.
- Do not throw bullets in the regular trash; contact local authorities for proper disposal methods.
- Ensure that all spent casings are disposed of safely and responsibly.

Contact Information for Further Support

For questions or concerns regarding the safety and use of LRX® 30 CAL (.308") Polymer Tip Boat Tail Rifle Bullets, please contact the manufacturer or refer to their website for further assistance.

This guide is designed to help you use your LRX® 30 CAL bullets safely and responsibly. Adhering to these guidelines not only ensures your safety but also the safety of those around you. Thank you for your attention to these important safety instructions.
