Safety Instruction Guide for BUSHING BUMP DECAPPING UNIT, 223 WSSM

Introduction

Thank you for choosing the BUSHING BUMP DECAPPING UNIT from Forster Products, Inc. This product is designed to provide a reliable replacement decapping assembly for Forster Bushing Bump Dies. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety, installation, usage, and disposal.

General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free from distractions while using the decapping unit.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the decapping unit.
- Avoid direct contact with the decapping pin and other sharp components to prevent injuries.
- Do not modify the product or use it for unintended purposes.
- Ensure that the decapping rod is properly secured before use to prevent accidents.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris.
- Follow all local regulations regarding the use and disposal of firearms and related components.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary components: decap rod, spindle bushing, lock nut, and decapping pin.
- Ensure that the workspace is clear and organized.
- Insert the decap rod into the appropriate slot of the Forster Bushing Bump Die.
- Secure the rod in place using the lock nut, ensuring it is tightened adequately.
- Attach the spindle bushing to the decap rod, aligning it properly.
- Insert the decapping pin through the spindle bushing, ensuring it is seated correctly.

2. Usage:

- Before starting, doublecheck that all components are securely installed.
- Position the rifle cartridge in the die as instructed by the Forster Bushing Bump Die manual.
- Apply steady pressure to the decap rod to remove the primer from the cartridge.
- Avoid excessive force to prevent damage to the decapping unit or the cartridge.
- After use, disassemble the unit and clean all components to maintain performance.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling or hazardous waste disposal options.

- Ensure that all components are disposed of safely to prevent harm to others or the environment.

Contact Information for Further Support

For any questions or concerns regarding the BUSHING BUMP DECAPPING UNIT, please refer to the manufacturer's website or contact their customer support team directly. Always ensure that you have the product information available when seeking assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your BUSHING BUMP DECAPPING UNIT responsibly!
