# Safety Instruction Guide for Bushing Bump Decapping Unit

## Introduction

Thank you for choosing the Bushing Bump Decapping Unit from Forster Products, Inc. This product is designed for use in reloading ammunition, specifically for the 2506 Remington cartridge. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product before each use for any signs of damage or wear.
- Follow all local laws and regulations regarding ammunition reloading.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Avoid using the decapping unit in a cluttered or poorly lit environment.
- Do not exceed the recommended load specifications for the cartridge.
- Ensure that the decapping pin is properly secured before use to prevent accidents.
- Never attempt to disassemble or modify the unit unless instructed to do so in this guide.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Bushing Bump Decapping Unit from its packaging.
- Inspect all components (decap rod, spindle bushing, lock nut, decapping pin) for any damage.
- Attach the decap rod to your reloading press according to the manufacturer's instructions.
- Secure the spindle bushing and lock nut to ensure stability during use.

### 2. Usage:

- Place the cartridge in the reloading press.
- Activate the press to lower the decapping pin into the primer pocket of the cartridge.
- After decapping, check the cartridge for any debris or damage.
- Clean the decapping unit after use to maintain its functionality.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Bushing Bump Decapping Unit, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your Bushing Bump

Decapping Unit. Thank you for your attention to safety.
