BUSHING BUMP DECAPPING UNIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Bushing Bump Decapping Unit from Forster Products, Inc. This product is designed to provide safe and effective decapping of casings for 25 WSSM cartridges. Please read and follow these safety instructions carefully to ensure safe handling, installation, and use of the product.

General Safety Guidelines

- Always read the product manual before use.
- Keep the product out of reach of children and pets.
- Inspect the decapping unit for any damage or wear before each use.
- Do not use the product if it is damaged or malfunctioning.
- Use the product only for its intended purpose as described in this manual.
- Store the product in a dry, safe place when not in use.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when operating the decapping unit.
- Ensure that the work area is welllit and free from clutter.
- Keep hands and other body parts away from moving parts during operation.
- Use caution when handling sharp components, such as the decapping pin.
- Do not force the decapping unit; if it does not operate smoothly, stop and check for obstructions or malfunctions.
- Avoid using the product near flammable materials or in explosive environments.

Instructions for Installation and Usage

1. Installation

- Ensure that the decapping unit is compatible with 25 WSSM cartridges.
- Carefully remove the decapping assembly from the packaging.
- Attach the decap rod to the spindle bushing securely.
- Lock the assembly in place using the lock nut.
- Insert the decapping pin into the designated slot and ensure it is firmly in place.

2. Usage

- Place the cartridge securely in the decapping die.
- Align the decapping assembly with the cartridge.
- Apply steady pressure to the decap rod to decap the cartridge.
- Inspect the cartridge after decapping to ensure that it has been successfully decapped without damage.
- Clean the decapping unit after each use to remove any debris or residue.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.

- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the Bushing Bump Decapping Unit, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Bushing Bump Decapping Unit. Always prioritize safety and proper handling practices to prevent accidents and ensure the longevity of the product. Thank you for your attention to these guidelines, and happy reloading!
