

POWDER TRICKLER

[Reloading](#) > [Powder Handling](#) > [Powder Tricklers](#)

Hornady's Powder Trickler provides a quick and precise way to manually drop the last few tenths of a grain of powder to top off the charge on your powder scale. An inexpensive way to achieve excellent round-to-round consistency, and the perfect companion for a conventional powder scale. Slowly turning the stem gently dispenses powder into the scale pan. Wide, no-tip base.

POWDER TRICKLER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Hornady Powder Trickler. This product is designed to provide a quick and precise way to manually drop the last few tenths of a grain of powder, allowing you to achieve excellent roundtoround consistency in your reloading process. To ensure safe and effective use of the Powder Trickler, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Powder Trickler is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always handle powder and reloading equipment in a wellventilated area.
- Avoid using the Powder Trickler near open flames or heat sources.
- Regularly inspect the Powder Trickler for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the Powder Trickler according to the manufacturer's instructions.
- Do not exceed the recommended amount of powder when using the Powder Trickler.
- Ensure that the scale pan is stable and secure before dispensing powder.
- Avoid overfilling the scale pan to prevent spills and potential hazards.
- Do not attempt to modify or repair the Powder Trickler without professional assistance.
- Wear appropriate safety gear, such as safety glasses, when handling powder.

Instructions for Installation and Usage

1. Setup:

- Place the Powder Trickler on a flat, stable surface.
- Ensure that the notip base is positioned correctly to prevent spills.

2. Using the Powder Trickler:

- Slowly turn the stem to dispense powder into the scale pan.
- Monitor the scale closely to achieve the desired weight.
- If necessary, make small adjustments to the amount being dispensed.

3. Cleaning and Maintenance:

- After each use, clean the Powder Trickler to prevent residue buildup.
- Use a soft brush or cloth to remove any powder particles.
- Store the Powder Trickler in a dry place, away from moisture.

Disposal Instructions

- Dispose of the Powder Trickler in accordance with local regulations.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of the Powder Trickler in regular household waste.

Contact Information for Further Support

For safety inquiries or further support regarding the Hornady Powder Trickler, please refer to the manufacturer's official website or customer service channels.

By following these safety instructions, you can ensure a safe and effective experience with your Hornady Powder Trickler. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
