

# HAND HELD OUTSIDE NECK TURNER PILOTS - FORSTER PRODUCTS, INC. #513 NECK TURNER PILOT FOR 0.513" BULLETS

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

Forster's easy-to-use hand-held neck turning tool helps you take the next step toward cartridge-to-cartridge consistency. It features a carbide cutter with a micrometer- style adjustment knob for precise material removal to give cases consistent wall thickness that improves bullet-to-bore alignment. The aluminum holder retains the case firmly with a simple turn of the knob; holds up to .592" base diameter. Large case holder available for cases from .593" to .812" base diameter. Requires a pilot that's specific to the case mouth diameter; sold separately, see table below. Pilots are precision-ground .002" to .0025" smaller than the bullet diameter.

## Attributes

- Name: [FORSTER PRODUCTS, INC. #513 NECK TURNER PILOT FOR 0.513" BULLETS](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749012922

# Safety Instruction Guide for Hand Held Outside Neck Turner Pilots

## Introduction

Thank you for choosing the Hand Held Outside Neck Turner Pilots from Forster Products, Inc. This tool is designed to enhance your reloading process by ensuring cartridge-to-cartridge consistency. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, while using the tool.
- Inspect the tool before each use to ensure it is in good working condition.
- Do not use the tool if it is damaged or malfunctioning.
- Store the tool in a dry, secure place when not in use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Use the tool in a well-ventilated area to avoid inhaling any dust or debris.
- Always ensure that the case is securely held in place before operating the cutter.
- Do not attempt to modify or alter the tool in any way.
- Avoid contact with the cutter while it is in operation to prevent injury.
- Do not wear loose clothing or jewelry that could become caught in the tool.
- Be mindful of your surroundings and ensure that no one is in close proximity while using the tool.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including the Hand Held Outside Neck Turner Pilot, appropriate pilots, and safety gear.
- Ensure that the work area is clean and free of obstructions.

### 2. Selecting the Right Pilot

- Choose a pilot that matches the case mouth diameter. Pilots are sold separately, so ensure you have the correct size.
- Remember that pilots are precision-ground to be .002" to .0025" smaller than the bullet diameter.

### 3. Installing the Case

- Insert the case into the aluminum holder.
- Turn the knob to secure the case firmly in place.

### 4. Adjusting the Cutter

- Use the micrometer-style adjustment knob to set the desired depth of material removal.
- Ensure the cutter is properly aligned with the case before beginning.

### 5. Operating the Tool

- Hold the tool securely and begin turning the cutter.
- Maintain a steady and controlled motion to achieve consistent wall thickness.
- Stop immediately if you notice any irregularities or if the tool feels unstable.

## 6. PostUse Care

- After use, clean the tool and remove any debris.
- Store the tool in its designated place to ensure it remains in good condition.

## Disposal Instructions

- Dispose of any used or damaged parts in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Check for any recycling options available in your area.

## Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided with your purchase. You can also visit the manufacturer's website for additional resources and support.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Hand Held Outside Neck Turner Pilots. Always prioritize safety and consult the guidelines regularly for best practices in using this tool. Thank you for your attention to safety and for choosing Forster Products, Inc.
