

BENCH REST® SEATER DIES - FORSTER PRODUCTS, INC. BENCH REST SEATER DIE, 6.5X57MM MAUSER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

Attributes

- Name: [FORSTER PRODUCTS, INC. BENCH REST SEATER DIE, 6.5X57MM MAUSER](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)

Forster Bench Rest® Seater Dies Safety Instructions

Introduction

Thank you for choosing the Forster Bench Rest® Seater Dies for your reloading needs. This guide provides important safety instructions and best practices to ensure the safe use of this product. Please read this guide carefully before using the dies, and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the Forster Bench Rest Seater Dies by following these guidelines:
 - Always wear appropriate personal protective equipment, including safety glasses and gloves.
 - Keep the workspace clean and organized to prevent accidents.
 - Store the dies in a secure location, out of reach of children and pets.
 - Regularly inspect the dies for wear or damage before each use.
 - Follow all manufacturer instructions and recommendations for use.

Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
 - Do not exceed the recommended load specifications for the dies.
 - Ensure that the dies are compatible with the specific cartridge you are using (6.5 x 57 mm Mauser).
 - Avoid using damaged or worn dies, as they may lead to unsafe reloading practices.
 - Always ensure that the case is properly positioned in the die before seating the bullet.
 - Use only high-quality components to ensure the integrity of the ammunition produced.
 - Keep hands and fingers clear of moving parts during operation.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the Forster Bench Rest Seater Dies:

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove any existing die from the press if necessary.
- Insert the Forster Bench Rest Seater Die into the reloading press and tighten securely.
- Adjust the die to the desired seating depth based on the bullet specifications.

2. Usage:

- Prepare the cartridge case by cleaning and resizing it as needed.
- Place the prepared case into the die, ensuring it is seated properly.
- Insert the bullet into the case mouth, aligning it with the seating stem.
- Slowly and steadily operate the reloading press to seat the bullet.
- Inspect the finished round for proper seating and alignment.

Disposal Instructions

- When disposing of any unused or damaged reloading dies, please follow these guidelines:
 - Do not dispose of dies in regular household waste.

- Check local regulations for hazardous waste disposal.
- If applicable, contact a local recycling center for proper disposal methods.

Contact Information for Further Support

- For any questions or concerns about the Forster Bench Rest Seater Dies, please consult the manufacturer's website or reach out to your local retailer for assistance. It is important to have access to support for safe and effective use of this product.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Forster Bench Rest Seater Dies. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing Forster Products, Inc.
