

PLATED 40 CALIBER/10MM (0.401") BULLETS - BERRYS MANUFACTURING 40 CAL/10MM (.401") 180GR FLAT POINT 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Berry's lead bullets are totally enclosed in 100% pure copper plating to cut down on airborne lead and reduce fouling, while costing much less than jacketed projectiles. Each bullet is swaged to size and weight, plated, and then swaged again to the specified diameter. Suitable for all standard pistol velocities.

Attributes

PLATED 40 CALIBER/10MM (0.401") BULLETS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing Berry's Manufacturing 40 Caliber/10MM (0.401") 180GR Flat Point Bullets. This guide provides essential safety instructions and guidelines to ensure the safe handling and usage of these bullets. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure compliance with local laws and regulations regarding the use and storage of ammunition.
- Always handle bullets with care to prevent accidents.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Regularly check for any recalls or safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and hearing protection, when handling or using ammunition.
- Do not use damaged or deformed bullets. Inspect each bullet before use.
- Ensure your firearm is compatible with the caliber of bullets you are using.
- Avoid using bullets in firearms that are not designed for them.
- Follow the manufacturer's loading data and guidelines to avoid overloading or underloading.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the firearm at anything you do not intend to shoot.
- Always keep your finger off the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free from distractions.
- Gather all necessary equipment, including your firearm, loading tools, and safety gear.

2. Loading Bullets:

- Carefully follow the loading instructions specific to your firearm and bullet type.
- Use only the recommended powder and primer for your loading application.
- Measure powder charges accurately using a reliable scale.

3. Testing:

- Conduct a test firing in a controlled environment to ensure proper functioning.
- Monitor for any signs of malfunction or issues during the test.

4. Storage:

- Store unused bullets in their original packaging or in a suitable container.
- Ensure the storage area is locked and secure to prevent unauthorized access.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or concerns regarding this product, please refer to the EUbased contact point provided on the packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safer experience while using Berry's Manufacturing 40 Caliber/10MM (0.401") Bullets. Thank you for your attention to safety.
