

1-PIECE COATED RIFLE CLEANING RODS - WESTERN POWDERS

22-26 CALIBER 42" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

One piece, coated spring steel cleaning rods push a brush or jag through the toughest fouling without bending. Dirt and grit won't cling to the proprietary, nonembedding coating for extra protection of your prized rifle's bore. The machined aluminum handle is slim enough to avoid contact with the stock when cleaning from the breech, while still comfortable and easy-to-grasp for excellent control. Bearings at each end of the handle let the rod rotate smoothly to keep the jag or brush fully in contact with the rifling. Color-coded handles help you make sure you pick up the correct-caliber rod. Each rod has a soft aluminum ferrule at the threaded end to help protect the breech or muzzle from damage.

Attributes

- Name: [WESTERN POWDERS 22-26 CALIBER 42" 8-32F CLEANING ROD](#)
- Manufacturer: [WESTERN POWDERS](#)
- Product no.: 749013000

Safety Instruction Guide for 1Piece Coated Rifle Cleaning Rods

Introduction

Thank you for choosing the 1Piece Coated Rifle Cleaning Rod from Western Powders. This product is designed to help you maintain your rifle effectively and safely. Please read this safety instruction guide carefully to ensure safe usage and proper handling of your cleaning rod.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the cleaning rod.
- Ensure that the cleaning rod is used only for its intended purpose.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any signs of damage before each use.
- Do not use the cleaning rod if it appears damaged or worn.
- Be aware of your surroundings when using the cleaning rod to avoid accidents.

Specific Safety Precautions for Use

- When cleaning your rifle, always ensure it is unloaded and pointed in a safe direction.
- Use the appropriate caliber cleaning rod for your rifle to prevent damage to the bore.
- Avoid excessive force when pushing the cleaning rod through the barrel; this helps prevent bending or damaging the rod.
- Do not allow dirt or debris to accumulate on the cleaning rod, as this can scratch the bore of your rifle.
- Always ensure that the cleaning brush or jag is securely attached to the cleaning rod before use.
- Wear safety glasses to protect your eyes from potential debris when cleaning.

Instructions for Installation and Usage

1. Preparation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the cleaning rod, appropriate brush or jag, and cleaning solvent.

2. Attaching the Brush or Jag

- Select the appropriate brush or jag that fits your rifle caliber.
- Screw the brush or jag onto the threaded end of the cleaning rod until it is secure.

3. Cleaning Process

- Apply cleaning solvent to the brush or jag as needed.
- Insert the cleaning rod into the breech of the rifle, ensuring it is aligned with the bore.
- Gently push the cleaning rod through the bore, allowing the brush or jag to clean the rifling.
- Rotate the rod as needed to ensure full contact with the rifling.
- Pull the cleaning rod back out of the barrel, and repeat the process as necessary.

4. PostCleaning

- After cleaning, detach the brush or jag from the cleaning rod.
- Clean the cleaning rod with a soft cloth to remove any debris or solvent.

- Store the cleaning rod in a safe, dry place out of reach of children.

Disposal Instructions

- When the cleaning rod reaches the end of its usable life, dispose of it in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is made of metal; instead, consider recycling options.

Contact Information for Further Support

For any questions or concerns about the use of this product, please refer to the manufacturer's website or customer support services for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience for your rifle. Thank you for your attention to these guidelines.
