

# 1-PIECE COATED RIFLE CLEANING RODS - WESTERN POWDERS

## 17-20 CALIBER 36" 5-40F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

One piece, coated spring steel cleaning rods push a brush or jag through the toughest fouling without bending. Dirt and grit won't cling to the proprietary, nonembedding coating for extra protection of your prized rifle's bore. The machined aluminum handle is slim enough to avoid contact with the stock when cleaning from the breech, while still comfortable and easy-to-grasp for excellent control. Bearings at each end of the handle let the rod rotate smoothly to keep the jag or brush fully in contact with the rifling. Color-coded handles help you make sure you pick up the correct-caliber rod. Each rod has a soft aluminum ferrule at the threaded end to help protect the breech or muzzle from damage.

### Attributes

- Name: [WESTERN POWDERS 17-20 CALIBER 36" 5-40F CLEANING ROD](#)
- Manufacturer: [WESTERN POWDERS](#)
- Product no.: 749013001
- Mfr. No.: 9140
- Caliber: 20 Caliber (.204), 17 Caliber (.172)
- Length: 36
- Material: Stainless
- Style: Rifle
- Delivery weight: 0.318kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 1,130mm
- UPC: 658638291408

# Safety Instruction Guide for 1Piece Coated Rifle Cleaning Rods

## Introduction

Thank you for choosing the 1Piece Coated Rifle Cleaning Rods from Western Powders. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the cleaning rods.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose—cleaning firearms.
- Always handle firearms with care and follow all safety protocols associated with firearm handling.
- Keep the cleaning rods out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the cleaning rod for any signs of damage or wear before each use. Do not use if damaged.
- Store the cleaning rod in a safe and secure location when not in use.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning.
- Use the cleaning rod only with the appropriate caliber brush or jag to avoid damage to the bore.
- Do not force the cleaning rod through the bore; if resistance is encountered, stop and check for obstructions.
- Avoid using excessive force when pushing the brush or jag through the bore to prevent bending the rod.
- Ensure that the cleaning area is wellventilated and free from flammable materials.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while cleaning.

## Instructions for Installation and Usage

### 1. Preparing the Cleaning Rod:

- Remove the cleaning rod from its packaging.
- Inspect the rod for any signs of damage or defects.

### 2. Attaching the Brush or Jag:

- Select the appropriate caliber brush or jag for your firearm.
- Screw the brush or jag onto the threaded end of the cleaning rod until secure.

### 3. Cleaning the Firearm:

- Ensure the firearm is unloaded.
- Insert the cleaning rod into the bore from the breech end.
- Gently push the rod through the bore, using smooth, even strokes.
- Rotate the rod as needed to ensure full contact with the rifling.
- After cleaning, remove the brush or jag and clean the rod with a soft cloth.

### 4. PostCleaning:

- Store the cleaning rod in a safe location, away from children.
- Regularly check the rod for wear and tear, replacing it as necessary.

## **Disposal Instructions**

- Dispose of the cleaning rod in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged or contains hazardous materials.
- Check with local authorities for proper disposal methods for materials such as aluminum and stainless steel.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 1Piece Coated Rifle Cleaning Rods, please reach out to the appropriate contact in your region. Ensure you have the product details ready for efficient assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your 1Piece Coated Rifle Cleaning Rods. Always prioritize safety and adhere to the guidelines provided to protect yourself and others. Thank you for choosing Western Powders!
