

DELUXE CARBIDE EXPANDER/DECAP ROD COMPLETE - LYMAN .22 CAL CARBIDE EXPANDER DECAP ROD

[Reloading](#) > [Case Cleaning](#) > [Decapping Dies & Accessories](#)

Lyman's Deluxe Carbide expander/decapping rod assembly fits all Lyman and RCBS rifle sizing dies and upgrades them with an extra-hard carbide expander button. Gives you the benefit of carbide neck sizing while keeping your favorite dies. The slick surface of the carbide helps the button pull out of the case neck more easily, with less "grab" on the brass, so it helps prevent case stretching. You need to trim cases less frequently, and overall case life is greatly extended. The free-floating button automatically centers itself in the case neck. Adjustable positioning sleeve gives you a choice of two positions for the button, for best fits in t different-size cases. It also gives you more control over what portion of the stroke the button pulls through the case neck, so you can get maximum leverage from the press linkage. Replaceable decapping pin.

Attributes

Safety Instruction Guide for DELUXE CARBIDE EXPANDER/DECAP ROD COMPLETE LYMAN .22 CAL CARBIDE EXPANDER DECAP ROD

Introduction

Thank you for choosing the Lyman Deluxe Carbide Expander/Decap Rod. This product is designed to enhance your reloading experience by providing a reliable and efficient way to decap and size your cases. To ensure your safety and the proper functioning of the product, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure the work area is clean, welllit, and free from obstructions.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for damage before each use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with Lyman and RCBS rifle sizing dies.
- Ensure that the decapping pin is properly installed before use.
- Avoid excessive force when operating the product to prevent damage.
- Do not attempt to modify or alter the product in any way.
- Be cautious of sharp edges and points during handling.
- Always keep hands and body clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove the existing decapping rod from your sizing die.
- Insert the Lyman Deluxe Carbide Expander/Decap Rod into the sizing die.
- Adjust the positioning sleeve to your preferred button position.
- Securely tighten the die lock ring to hold the expander/decap rod in place.

2. Usage:

- Prepare your brass cases by ensuring they are clean and free from debris.
- Place the brass case in the shell holder of your reloading press.
- Operate the press to raise the ram, allowing the expander button to enter the case neck.
- The freefloating button will automatically center itself in the case neck for optimal performance.
- After decapping, lower the ram to remove the case from the shell holder.

3. PostUsage:

- After use, clean the expander/decap rod to remove any residue.
- Store the product in a dry, secure location away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods for tools and equipment.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Lyman Deluxe Carbide Expander/Decap Rod, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety guidelines. Enjoy a safe and efficient reloading experience!
