

# PRIMER POCKET UNIFORMERS - LYMAN PRIMER POCKET UNIFORMER SMALL

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Uniformers](#)

This fine selection of hand tools from Lyman performs the three most important steps in achieving a clean, uniform primer pocket and flash hole in preparation for seating a new primer. Each tool features an unbreakable, comfortable, cushioned, ergonomic polyurethane handle. Primer Pocket Uniformer cuts the primer pocket to a uniform depth so seating depth for all primers is the same to ensure uniform ignition through an entire batch of reloaded ammo. Collar is locked to a pre-set depth that conforms to SAAMI specifications.

## Attributes

# Safety Instruction Guide for PRIMER POCKET UNIFORMERS LYMAN PRIMER POCKET UNIFORMER SMALL

## Introduction

Thank you for choosing the Lyman Primer Pocket Uniformer Small. This tool is designed to help you achieve a clean and uniform primer pocket, enhancing the performance of your reloaded ammunition. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free of obstructions.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using this tool.
- Be aware of your surroundings and avoid distractions while using the tool.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Awareness:** The tool has sharp edges and points. Handle with care to avoid cuts or injuries. Ensure that you are not wearing loose clothing or jewelry that could get caught in the tool.
- **Ergonomic Use:** Use the cushioned handle to maintain a firm grip and reduce strain during use. If you experience discomfort or pain while using the tool, stop immediately and consult a professional.
- **Age Restrictions:** This tool is not intended for use by children. Keep it stored in a secure location away from minors.
- **Safe Operation:** Do not apply excessive force when using the tool. Allow the tool to do the work. Always follow the recommended procedure for cutting primer pockets to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the Lyman Primer Pocket Uniformer, a clean workspace, and any additional tools required for reloading.
- Ensure that your primers and ammunition components are organized and accessible.

### 2. Using the Primer Pocket Uniformer:

- Hold the tool by the cushioned handle for a comfortable grip.
- Position the tool over the primer pocket of the cartridge case.
- Gently press down until the collar engages with the case, ensuring that the tool cuts to the preset depth.
- Rotate the tool slightly if needed to ensure an even cut, but avoid excessive force.

### 3. PostUse Care:

- Clean the tool after each use to prevent residue buildup.
- Store the tool in a safe location, preferably in a protective case or pouch.

## Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- If the tool is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the tool in regular household waste.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the Lyman Primer Pocket Uniformer Small. Always prioritize safety and compliance with local regulations when handling and using any reloading tools. Thank you for your attention to these guidelines.
