

# FLASH HOLE UNIFORMER - LYMAN FLASH HOLE UNIFORMER

[Reloading](#) > [Case Preparation](#) > [Flash Hole Deburring Tools](#)

This fine selection of hand tools from Lyman performs the three most important steps in achieving a clean, uniform primer pocket and flash hole in preparation for seating a new primer. Each tool features an unbreakable, comfortable, cushioned, ergonomic polyurethane handle. Flash Hole Uniformer removes burrs from the inside of the flash hole to ensure unobstructed passage of the spark to the powder for consistent ignition from one round to the next. Insert into flash hole through the case mouth, and a quick, clockwise turn of the tool does the job. Adjustable stop collar allows use with any size case, from .22 through .45 caliber.

# FLASH HOLE UNIFORMER Safety Instructions

## Introduction

Thank you for choosing the FLASH HOLE UNIFORMER by LYMAN. This product is designed to help you achieve a clean, uniform primer pocket and flash hole for optimal ignition performance. To ensure safe and effective use, please read the following safety instructions carefully.

## General Safety Guidelines

- Always use the FLASH HOLE UNIFORMER in accordance with the manufacturer's instructions.
- Ensure that the product is used only by individuals who are familiar with hand tools and reloading processes.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- If the tool is damaged, do not use it. Replace it immediately.
- Store the tool in a dry place to prevent rust and damage.

## Specific Safety Precautions for Use

- Always wear safety goggles to protect your eyes from debris while using the tool.
- Use the tool in a wellventilated area to avoid inhaling any dust or particles.
- Avoid wearing loose clothing or jewelry that may get caught in the tool during use.
- Do not apply excessive force when using the tool, as this may cause injury or damage.
- Handle the tool with care to prevent cuts or punctures from the sharp edges.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the case is clean and free from any obstructions before inserting the FLASH HOLE UNIFORMER.
- Choose the appropriate size case, from .22 through .45 caliber, for use with the tool.

### 2. Using the Tool:

- Insert the FLASH HOLE UNIFORMER into the flash hole through the case mouth.
- Perform a quick, clockwise turn of the tool to remove any burrs or debris.
- The adjustable stop collar allows you to customize the depth of the tool's insertion based on the case size.

### 3. PostUse:

- After use, clean the tool with a dry cloth to remove any residue.
- Store the FLASH HOLE UNIFORMER in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of the FLASH HOLE UNIFORMER in accordance with local regulations.
- If the tool is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the tool in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the FLASH HOLE UNIFORMER, please consult the manufacturer's website or customer support.

By following these guidelines, you can ensure a safe and effective experience with your FLASH HOLE UNIFORMER. Always prioritize safety and proper usage to achieve the best results. Thank you for your attention to these important safety instructions.
