

HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS - BERGER BULLETS HYBRID TARGET 30 CALIBER (0.308") 155GR HYBRID BT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballistician and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

Attributes

- Name: [BERGER BULLETS HYBRID TARGET 30 CALIBER \(0.308"\) 155GR HYBRID BT 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749013140
- Mfr. No.: 30426
- Ballistic Coefficient (G1): 0.478

Safety Instruction Guide for HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS

Introduction

Thank you for purchasing the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling and usage of this product. Please read this guide carefully before use.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and out of reach of children.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling or using ammunition.
- Ensure that your firearm is in good working condition and is compatible with the bullets you are using.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling may lead to accidental discharge.
 - Using incompatible firearms may result in malfunction or injury.
 - Exposure to lead and other materials may pose health risks.
- **To Avoid Hazards:**
 - Always follow the manufacturer's instructions for your firearm.
 - Do not modify the bullets or attempt to reload them.
 - Avoid using bullets that show signs of damage or corrosion.
 - Ensure that the bullet is seated correctly in the cartridge case before use.

Instructions for Installation and Usage

- **Installation:**
 - Ensure you are in a safe environment before handling.
 - Check that your firearm is unloaded before inserting the bullet.
 - Load the bullet into the cartridge case according to the manufacturer's specifications.
- **Usage:**
 - Always aim your firearm in a safe direction.
 - Be certain of your target and what is beyond it before firing.
 - Follow all local laws and regulations regarding the use of firearms and ammunition.

Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular trash; contact local hazardous waste disposal for guidance.
- Ensure that all spent cartridges are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS. Thank you for prioritizing safety.
