

HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS - BERGER BULLETS HYBRID TARGET 30 CALIBER (0.308") 168GR HYBRID BT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballistician and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

Attributes

- Name: [BERGER BULLETS HYBRID TARGET 30 CALIBER \(0.308"\) 168GR HYBRID BT 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749013141
- Mfr. No.: 30425
- Ballistic Coefficient (G1): 0.515
- Ballistic Coefficient (G7): 0.264
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 168
- Sectional Density: -
- Quantity: 100
- Delivery weight: 1.111kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 679459304252

Safety Instruction Guide for HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS

Introduction

Thank you for choosing the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS by Berger Bullets. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure safe handling and storage of bullets to prevent accidents.
- Always treat every bullet as if it is loaded and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use only in firearms recommended for this caliber.
- Follow all local laws and regulations regarding the use of ammunition.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Inspect your firearm before use to ensure it is in good working condition.
- Do not use damaged or corroded bullets.
- Avoid using bullets that have been exposed to excessive heat or humidity.
- Do not attempt to modify the bullets or use them in a manner not intended by the manufacturer.
- Always follow the firearm manufacturer's guidelines for ammunition use.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and ensure it is unloaded.
- Carefully load the bullets into the magazine or chamber according to the firearm's instructions.

2. Firing the Bullets:

- Ensure the firearm is properly aimed at the target.
- Keep your finger off the trigger until you are ready to shoot.
- Fire the bullet following standard shooting practices.

3. PostFiring:

- After firing, always check the firearm to ensure it is unloaded.
- Clean the firearm as per the manufacturer's instructions to maintain performance and safety.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact details provided with your purchase or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS. Always prioritize safety and responsible usage. Thank you for your attention to these guidelines.
