

# LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 30-06 SPRINGFIELD TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The “World’s Finest Trimmer” lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

## Attributes

- Name: [LITTLE CROW GUNWORKS. 30-06 SPRINGFIELD TRIMMER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 749013295
- Mfr. No.: WFT3006

# LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER Safety Instructions

## Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER. This guide provides essential safety instructions and operational guidelines to ensure safe and effective use of the product. Please read this document carefully before using the trimmer.

## General Safety Guidelines

- Always use the trimmer in accordance with the manufacturer's instructions.
- Ensure that the trimmer is used in a wellventilated area.
- Keep the work area clean and free from clutter to avoid accidents.
- Store the trimmer out of reach of children and vulnerable individuals.
- Regularly inspect the trimmer for any signs of damage or wear before each use.
- If you notice any issues, do not use the trimmer until it has been repaired or replaced.
- Follow all local regulations regarding the use of tools and equipment.

## Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety glasses and gloves to protect against metal shavings and debris.
- Never operate the trimmer without proper eye protection.
- Ensure that the electric drill used as a power source is in good working condition.
- Do not exceed the recommended speed for the drill when using the trimmer.
- Avoid placing hands or fingers near the cutter while it is in operation.
- Always turn off and unplug the drill before making adjustments to the trimmer.
- Do not attempt to modify the trimmer or use it for any purpose other than intended.

## Instructions for Installation and Usage

### 1. Setup

- Ensure that you have a compatible electric drill.
- Attach the trimmer to the drill according to the manufacturer's instructions.
- Adjust the cutter to the desired length setting, ensuring it is secure.

### 2. Operation

- Select a case to be trimmed.
- Hold the case firmly and push it against the cutter.
- Allow the cutter to rotate and trim the excess brass until the shoulder contacts the stop.
- Maintain a steady pace; you can trim 810 cases per minute once you establish a rhythm.
- After trimming, inspect the case for any irregularities.

### 3. PostUse Care

- Turn off and unplug the drill after use.
- Clean the trimmer and remove any brass shavings.
- Store the trimmer in a safe, dry location away from children.

## **Disposal Instructions**

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Recycle the trimmer and its components wherever possible.
- Do not dispose of the trimmer in household waste.

## **Contact Information for Further Support**

For safety inquiries or product support, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you will help ensure your safety and the safety of others while using the LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER. Thank you for your attention to safety!
