

# LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 308 WINCHESTER TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The “World’s Finest Trimmer” lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

## Attributes

- Name: [LITTLE CROW GUNWORKS. 308 WINCHESTER TRIMMER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 749013296

# Safety Instruction Guide for LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER

## Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. This product is designed to enhance your reloading experience by allowing you to trim cartridge cases efficiently. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the product manual before use.
- Keep the trimmer out of reach of children and pets.
- Use the trimmer only for its intended purpose, which is to trim cartridge cases.
- Ensure that your work area is clean and free from obstructions.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating the trimmer.
- Do not use the trimmer if it appears damaged or malfunctioning.
- Regularly inspect the trimmer for wear and tear, especially the cutter.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

### • Electrical Safety:

- Ensure the electric drill is properly grounded and in good working condition.
- Do not use the trimmer in wet or damp conditions.

### • Cutting Safety:

- Keep fingers and hands away from the cutter while in use.
- Do not attempt to remove or adjust the cutter while the trimmer is in operation.

### • Accident Prevention:

- Do not leave the trimmer unattended while it is connected to the power source.
- Always disconnect the drill from the power source when changing cases or making adjustments.

## Instructions for Installation and Usage

### 1. Setup:

- Attach the trimmer securely to your electric drill according to the manufacturer's instructions.
- Ensure that the cutter is properly aligned and tightened before use.

### 2. Trimming Process:

- Select a cartridge case compatible with the trimmer (e.g., .308 Winchester, .243 Winchester, 7 mm 08 Remington, 260 Remington).
- Hold the case firmly and push it against the cutter until the excess brass is removed.
- Maintain a steady pace to achieve an efficient trimming rate of 810 cases per minute.
- After trimming, inspect each case for uniformity and quality.

### 3. Maintenance:

- Clean the trimmer regularly to remove brass shavings and debris.
- Store the trimmer in a dry, cool place when not in use.
- Replace the cutter as needed to ensure optimal performance.

## Disposal Instructions

- Dispose of the trimmer and any worn components in accordance with local regulations.
- Recycle materials where possible, such as aluminum and steel components.
- Do not dispose of the trimmer in household waste.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER, please refer to the manufacturer's contact information provided with the product.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. Always prioritize safety and quality in your reloading activities. Thank you for your attention to these guidelines.
