

EDGEWOOD GRAB HANDLE BAGS - EDGEWOOD SHOOTING BAGS MINIGATER W/GRAB HANDLE STD 3-1/2"H 3/4" SPREAD BLACK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

These premium bags and shooting accessories from Edgewood Leather are innovative in design, made of absolutely the best materials available and will hold up under constant competitive use. These Handle Bags were designed for F-Class shooters. The stiff handle makes the bag a lot easier to carry to the firing line, and the larger footprint of the bag base makes the bag more stable for shooting off the ground. These would be excellent bags for varmint hunters who move to new firing points frequently. Note: Sand is required to fill these bags.

Safety Instruction Guide for Edgewood Grab Handle Bags

Introduction

Thank you for choosing the Edgewood Grab Handle Bags. These premium shooting bags are designed for FClass shooters and are made from highquality materials to ensure durability and performance. This guide provides essential safety information to help you use the bags safely and effectively.

General Safety Guidelines

- Ensure that the bags are filled with sand before use to provide stability during shooting.
- Regularly inspect the bags for any signs of wear or damage before each use.
- Always follow local laws and regulations regarding shooting practices.
- Keep the bags out of reach of children when not in use.
- Use the bags only for their intended purpose as shooting accessories.

Specific Safety Precautions for Use

- Always place the bags on a stable surface when shooting to prevent slipping or tipping.
- Be cautious when carrying the bags; the stiff handle is designed for easy transport, but ensure that it is securely held.
- Avoid overloading the bags beyond their intended capacity, as this may affect stability and performance.
- When moving between firing points, ensure that the bags are securely closed to prevent spillage of contents.

Instructions for Installation and Usage

- **Filling the Bags:**
 - Fill the bags with dry sand to the recommended level for optimal stability.
 - Ensure that the filling is evenly distributed to maintain balance.
- **Using the Bags:**
 - Position the bag on the ground where you will be shooting.
 - Place your firearm on top of the bag, ensuring that it is stable and secure.
 - Adjust the position of the bag as needed to achieve the desired shooting height and angle.
- **Carrying the Bags:**
 - Use the grab handle to carry the bags to your shooting location.
 - Ensure that the handle is secure and that you have a firm grip while carrying.

Disposal Instructions

- Dispose of the bags in accordance with local regulations.
- If the bags are damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bags in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For safety inquiries and additional support, please refer to the contact details provided with your product or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Edgewood Grab Handle Bags!
