

# SINCLAIR TWO PIECE CLEANING ROD GUIDES - SINCLAIR INTERNATIONAL BORE GUIDE BODY, 223 FAMILY

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Inserts Sold Separately

The Sinclair Two-Piece bore guide system helps the shooter get the best possible alignment of the cleaning rod to the bore by using a guide within a guide. The guide body goes into the action and seals the chamber with an O-ring, like a traditional bore guide. A separate guide slides into the rear of the guide body to provide a slip fit for the cleaning rod. The tight-fitting 8" insert prevents the rod from flexing and keeps it centered, so it will not contact the rifling while you clean. Choose the guide body to fit the cartridge your rifle is chambered for, then select the insert with the inside diameter that fits your rod. Both guide body and insert are machined from Delrin with rubber O-ring seals to prevent solvent from getting into the action. Bore guide bodies are made to fit the Remington 700 and other rifles with .700" diameter bolts.

Inserts Sold Separately

## Attributes

- Name: [SINCLAIR INTERNATIONAL BORE GUIDE BODY, 223 FAMILY](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749013414

## Safety Instruction Guide

### Introduction

Thank you for choosing the Sinclair Two Piece Cleaning Rod Guides. This product is designed to help you achieve optimal cleaning rod alignment with your rifle's bore, ensuring a safe and effective cleaning process. This safety instruction guide provides essential information to help you use the product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read the product instructions carefully before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use the bore guide only with compatible cleaning rods to avoid damage and ensure safety.
- Always ensure that the rifle is unloaded before installing the bore guide.
- Do not force the cleaning rod through the bore guide; it should fit snugly but not excessively tight.
- Avoid using the bore guide with solvents that are incompatible with the materials used in the product.
- Do not leave the bore guide in the rifle for extended periods when not in use.
- Always follow the manufacturer's instructions regarding cleaning and maintenance of the bore guide.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools and materials for cleaning.

#### 2. Installation of the Bore Guide

- Select the appropriate guide body that fits the cartridge your rifle is chambered for.
- Insert the guide body into the action of the rifle, ensuring that it seals the chamber with the O-ring.
- Slide the separate guide into the rear of the guide body until it is securely in place.

#### 3. Using the Cleaning Rod

- Choose a cleaning rod that is compatible with the bore guide insert.
- Insert the cleaning rod into the bore guide.
- Gently push the cleaning rod through the bore while maintaining alignment with the bore guide.
- Avoid excessive force; if resistance is felt, stop and check for proper alignment.

#### 4. PostCleaning

- Remove the cleaning rod and bore guide from the rifle after cleaning.
- Clean the bore guide according to the manufacturer's instructions to ensure longevity.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the product in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sinclair Two Piece Cleaning Rod Guides, please refer to the manufacturer's website or contact customer support directly. Always keep this safety instruction guide for future reference.

Thank you for using the Sinclair Two Piece Cleaning Rod Guides safely and responsibly.
