

# SINCLAIR TWO PIECE CLEANING ROD GUIDES - SINCLAIR INTERNATIONAL BORE GUIDE BODY, 308 FAMILY

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Inserts Sold Separately

The Sinclair Two-Piece bore guide system helps the shooter get the best possible alignment of the cleaning rod to the bore by using a guide within a guide. The guide body goes into the action and seals the chamber with an O-ring, like a traditional bore guide. A separate guide slides into the rear of the guide body to provide a slip fit for the cleaning rod. The tight-fitting 8" insert prevents the rod from flexing and keeps it centered, so it will not contact the rifling while you clean. Choose the guide body to fit the cartridge your rifle is chambered for, then select the insert with the inside diameter that fits your rod. Both guide body and insert are machined from Delrin with rubber O-ring seals to prevent solvent from getting into the action. Bore guide bodies are made to fit the Remington 700 and other rifles with .700" diameter bolts.

Inserts Sold Separately

## Attributes

- Name: [SINCLAIR INTERNATIONAL BORE GUIDE BODY, 308 FAMILY](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749013416
- Mfr. No.: 100409-3

# Sinclair TwoPiece Cleaning Rod Guides Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair TwoPiece Cleaning Rod Guides. This product is designed to enhance your cleaning experience by ensuring optimal alignment of the cleaning rod to the bore of your firearm. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the cleaning rod guide is suitable for your specific rifle and cartridge.
- Always inspect the product for any damage or wear before use.
- Use the cleaning rod guide only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm maintenance and safety.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper alignment of the cleaning rod can damage the bore.
- Solvent exposure can be harmful if not handled properly.

### • Avoiding Hazards:

- Always ensure the cleaning rod is properly inserted into the guide before use.
- Do not force the cleaning rod if resistance is felt; check for obstructions.
- Use solvents in a wellventilated area and wear appropriate protective gear.
- Never leave the cleaning rod unattended while in use.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate guide body for your rifle's cartridge.
- Insert the guide body into the action of the rifle, ensuring the O-ring seals the chamber tightly.
- Take the insert designed for your cleaning rod and slide it into the rear of the guide body until it fits snugly.

### 2. Usage:

- Ensure the cleaning rod is clean and free of debris before inserting it into the guide.
- Insert the cleaning rod through the rear insert into the bore guide.
- Gently push the cleaning rod through the bore, avoiding excessive force.
- After cleaning, remove the cleaning rod and guide carefully.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste if it contains hazardous materials.

- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Sinclair TwoPiece Cleaning Rod Guides, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Sinclair TwoPiece Cleaning Rod Guides. Thank you for your attention to these important safety instructions.
