

# SINCLAIR TWO PIECE CLEANING ROD GUIDES - SINCLAIR INTERNATIONAL ROD GUIDE INSERT, 6MM

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Inserts Sold Separately

The Sinclair Two-Piece bore guide system helps the shooter get the best possible alignment of the cleaning rod to the bore by using a guide within a guide. The guide body goes into the action and seals the chamber with an O-ring, like a traditional bore guide. A separate guide slides into the rear of the guide body to provide a slip fit for the cleaning rod. The tight-fitting 8" insert prevents the rod from flexing and keeps it centered, so it will not contact the rifling while you clean. Choose the guide body to fit the cartridge your rifle is chambered for, then select the insert with the inside diameter that fits your rod. Both guide body and insert are machined from Delrin with rubber O-ring seals to prevent solvent from getting into the action. Bore guide bodies are made to fit the Remington 700 and other rifles with .700" diameter bolts.

Inserts Sold Separately

## Attributes

- Name: [SINCLAIR INTERNATIONAL ROD GUIDE INSERT, 6MM](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749013421
- Mfr. No.: 100410-4
- Cartridge: 243/6 mm (.243)
- Delivery weight: 0.045kg
- Shipping height: 15mm
- Shipping width: 41mm
- Shipping length: 234mm

# Safety Instruction Guide for Sinclair TwoPiece Cleaning Rod Guides

## Introduction

Thank you for choosing the Sinclair TwoPiece Cleaning Rod Guides. This product is designed to help you maintain your firearm safely and effectively. Please read this safety instruction guide carefully to ensure proper usage and to avoid any potential hazards.

## General Safety Guidelines

- Ensure safe use of the cleaning rod guides by following all instructions.
- Always inspect the product for any damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use only with the compatible cleaning rods as specified.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear safety glasses when cleaning firearms to protect your eyes from solvents and debris.
- Do not use the cleaning rod guides if they show signs of wear or damage.
- Ensure that the firearm is unloaded before using the cleaning rod guides.
- Avoid using excessive force when inserting or removing the cleaning rod to prevent damage.
- Keep solvents and cleaning materials away from children and pets.
- Follow all manufacturer guidelines for the cleaning materials used with the cleaning rod guides.

## Instructions for Installation and Usage

### 1. Select the Appropriate Guide Body:

- Choose the guide body that fits the cartridge your rifle is chambered for (e.g., Remington 700).

### 2. Insert the Guide Body:

- Insert the guide body into the rifle's action.
- Ensure that the O-ring seals the chamber properly to prevent solvent leakage.

### 3. Prepare the Cleaning Rod:

- Choose the insert that matches the inside diameter of your cleaning rod (6mm).
- Slide the insert into the rear of the guide body until it fits snugly.

### 4. Insert the Cleaning Rod:

- Carefully insert the cleaning rod into the guide insert.
- Ensure the rod is aligned properly to avoid contact with the rifling.

### 5. Clean the Firearm:

- Follow standard cleaning procedures while using the cleaning rod guides.
- Monitor the cleaning rod for any signs of bending or flexing.

### 6. Remove the Cleaning Rod:

- Once cleaning is complete, carefully remove the cleaning rod from the guide insert.
- Remove the insert from the guide body and then take out the guide body from the action.

## **Disposal Instructions**

- Dispose of any damaged or worn cleaning rod guides in accordance with local regulations.
- Do not dispose of solvents or cleaning materials in regular waste; follow proper hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of the Sinclair TwoPiece Cleaning Rod Guides, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for choosing Sinclair International. Safe and responsible firearm maintenance is essential for your safety and the safety of others.
