

SINCLAIR TWO PIECE CLEANING ROD GUIDES - SINCLAIR INTERNATIONAL ROD GUIDE INSERT, 270-30 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Inserts Sold Separately

The Sinclair Two-Piece bore guide system helps the shooter get the best possible alignment of the cleaning rod to the bore by using a guide within a guide. The guide body goes into the action and seals the chamber with an O-ring, like a traditional bore guide. A separate guide slides into the rear of the guide body to provide a slip fit for the cleaning rod. The tight-fitting 8" insert prevents the rod from flexing and keeps it centered, so it will not contact the rifling while you clean. Choose the guide body to fit the cartridge your rifle is chambered for, then select the insert with the inside diameter that fits your rod. Both guide body and insert are machined from Delrin with rubber O-ring seals to prevent solvent from getting into the action. Bore guide bodies are made to fit the Remington 700 and other rifles with .700" diameter bolts. Inserts Sold Separately

Attributes

- Name: [SINCLAIR INTERNATIONAL ROD GUIDE INSERT, 270-30 CALIBER](#)

Sinclair TwoPiece Cleaning Rod Guides Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair TwoPiece Cleaning Rod Guides. This product is designed to enhance your cleaning experience by ensuring proper alignment of the cleaning rod with your rifle's bore. To ensure your safety and the effective use of this product, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the cleaning rod guide is compatible with your firearm and cleaning rod before use.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the cleaning rod guide and all cleaning supplies out of reach of children and pets.
- Inspect the cleaning rod guide for any signs of damage or wear before each use.
- Do not use the product if it is damaged or if any parts are missing.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before inserting the cleaning rod guide.
- Use the appropriate guide body that matches the caliber of your rifle.
- Do not force the cleaning rod into the bore; it should slide in easily.
- Avoid using excessive force when cleaning to prevent damage to the rifle's bore.
- Be cautious of solvents and cleaning chemicals; follow the manufacturer's instructions for safe use.
- If you experience any resistance while cleaning, stop immediately and inspect the bore and rod for obstructions.

Instructions for Installation and Usage

1. Choosing the Right Guide Body

- Select the guide body that fits the caliber of your rifle (e.g., .700" diameter bolts for Remington 700).

2. Inserting the Guide Body

- Insert the guide body into the action of the rifle.
- Ensure that the Oring seals the chamber properly to prevent solvent leakage.

3. Attaching the Insert

- Slide the appropriate insert into the rear of the guide body.
- Make sure the insert fits snugly to maintain alignment during cleaning.

4. Using the Cleaning Rod

- Insert the cleaning rod through the guide insert.
- Maintain a straight line of action to avoid bending or flexing the rod.
- Clean the bore using recommended cleaning techniques and products.

5. PostCleaning Procedures

- Remove the cleaning rod and guide insert from the rifle.

- Clean the guide body and insert with a soft cloth and store them in a dry place.

Disposal Instructions

- Dispose of any cleaning solvents and chemicals according to local regulations.
- Do not dispose of the cleaning rod guide in regular household waste if it is damaged. Follow local guidelines for hazardous waste disposal.
- Recycle materials where applicable, following your local recycling program.

Contact Information for Further Support

For any inquiries regarding the Sinclair TwoPiece Cleaning Rod Guides or safety concerns, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair TwoPiece Cleaning Rod Guides. Thank you for prioritizing safety and proper firearm care.
