# Safety Instruction Guide for CASE PREP CENTER ADAPTER

## Introduction

Thank you for choosing the CASE PREP CENTER ADAPTER from Sinclair International. This product is designed to enhance your case preparation process by allowing the use of Sinclair Primer Pocket Uniformers with various powered case prep centers. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the adapter for any signs of wear or damage before use.
- Keep the adapter out of reach of children and unauthorized users.
- Use the adapter only for its intended purpose, as described in this guide.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the adapter.
- Ensure that the powered case prep center is turned off and unplugged when installing or removing the adapter.
- Do not exceed the recommended speed or power settings of your case prep center when using the adapter.
- Avoid direct contact with moving parts during operation to prevent injury.
- Do not use the adapter if it is damaged or if any part is missing.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Workspace:** Ensure that your workspace is clean and free of any obstructions.
2. **Turn Off Equipment:** Make sure the powered case prep center is turned off and unplugged.
3. **Attach the Adapter:**
  - Align the adapter with the designated area on your case prep center.
  - Securely fasten the adapter according to the manufacturer's instructions.
4. **Check Stability:** Ensure that the adapter is firmly attached and does not wobble or move.

### Usage

1. **Power On:** Plug in the powered case prep center and turn it on.
2. **Select Settings:** Adjust the speed and power settings according to your needs and the manufacturer's recommendations.
3. **Insert Cases:** Carefully insert the cases into the adapter, ensuring they are properly aligned.
4. **Monitor Operation:** Keep an eye on the operation and avoid any distractions while in use.
5. **Turn Off Equipment:** Once you have finished using the adapter, turn off the powered case prep center and unplug it.

## Disposal Instructions

- Dispose of the adapter responsibly in accordance with local regulations.

- If the adapter is damaged beyond repair, consider recycling the materials where applicable.
- Do not discard the adapter in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the CASE PREP CENTER ADAPTER, please refer to the manufacturer's contact information available on the product packaging or the official website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
