# Safety Instruction Guide for Redding 300 AAC Blackout Full Length Die Set

## Introduction

Thank you for choosing the Redding 300 AAC Blackout Full Length Die Set. This guide provides important safety information to ensure the safe use and handling of your die set. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using the die set.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading ammunition.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper use of the die set can lead to injury or damage.
- Always ensure that the die is securely mounted before use.

### • Avoiding Hazards:

- Do not exceed the recommended load specifications.
- Never use damaged or worn dies.
- Ensure that the work area is welllit and free of clutter.
- Use the die set in a stable and secure environment to prevent accidents.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

### • Emergency Procedures:

- In case of an accident, seek medical attention immediately.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is compatible with the Redding Full Length Die Set.
2. Carefully read the instructions included with your reloading press.
3. Securely mount the full length sizing die to the reloading press according to the manufacturer's instructions.
4. Install the seating die in the same manner, ensuring it is properly aligned.

### • Usage:

1. Start with clean and inspected brass cases.

2. Adjust the sizing die to the appropriate depth for your specific cartridge.
3. Use the full length sizing die to resize the brass cases before reloading.
4. Follow the instructions for the seating die to properly seat the bullet into the resized case.
5. Regularly check the dimensions of the cases to ensure they meet safety standards.

## Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Do not throw the die set in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Redding 300 AAC Blackout Full Length Die Set, please refer to the product packaging or visit the manufacturer's website for additional support resources.

Please ensure that you keep this guide for future reference and share it with anyone who may use the Redding 300 AAC Blackout Full Length Die Set. Your safety is our priority, and we appreciate your commitment to responsible reloading practices.
