

DELUXE 3-DIE SETS - REDDING 300 AAC BLACKOUT 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

DELUXE 3DIE SETS REDDING 300 AAC BLACKOUT

3 DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 300 AAC BLACKOUT 3 DIE SET. This guide provides important safety information and instructions to ensure the safe use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the proper use of reloading equipment and ammunition.
- Always wear appropriate safety gear, such as safety glasses and gloves, when operating the die set.
- Keep the die set out of reach of children and pets to prevent accidental injury.
- Inspect the die set for any visible damage before use. Do not use damaged equipment.
- Store the die set in a dry and secure location to prevent rust and damage.
- Always follow the manufacturer's instructions and guidelines for reloading ammunition.

Specific Safety Precautions for Use

- Use only compatible cartridges with the DELUXE 3DIE SETS REDDING 300 AAC BLACKOUT 3 DIE SET.
- Do not exceed recommended load limits when reloading ammunition.
- Ensure that the reloading area is wellventilated to avoid inhaling any harmful fumes from the materials used.
- Keep all components of the reloading process organized and within reach to minimize the risk of accidents.
- Never leave the die set unattended while in use.

Instructions for Installation and Usage

1. Setup:

- Secure the die set in a stable reloading press according to the manufacturer's instructions.
- Ensure that the full length sizing die, standard seating die, and neck sizing die are properly installed.

2. Reloading Process:

- Begin with the full length sizing die to resize the brass cartridge case.
- Follow with the neck sizing die if necessary, for further precision.
- Use the standard seating die to insert the bullet into the resized cartridge case.
- Ensure that each step is performed carefully to avoid mishaps.

3. PostUse:

- After reloading, clean the die set with a soft cloth to remove any residue.
- Store the die set in the provided box along with the spare decapping pin and hex wrench.
- Ensure that the die box is closed securely to prevent dust and moisture from entering.

Disposal Instructions

- Dispose of any unusable or damaged components of the die set in accordance with local regulations regarding metal and hazardous waste.

- Do not dispose of ammunition in regular household waste. Follow local guidelines for ammunition disposal.

Contact Information for Further Support

For safety inquiries or further assistance regarding the DELUXE 3DIE SETS REDDING 300 AAC BLACKOUT 3 DIE SET, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and effective reloading experience with your DELUXE 3DIE SETS REDDING 300 AAC BLACKOUT 3 DIE SET. Thank you for your attention to safety.
