# FULL LENGTH SIZING DIES REDDING 300 AAC BLACKOUT Safety Instruction Guide

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 300 AAC BLACKOUT. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the dies.

## General Safety Guidelines

- Ensure that all components are in good working condition before use.
- Always use the dies in accordance with the manufacturer's instructions.
- Keep the dies and all related equipment out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear and tear on the dies.
- Use the dies only for the intended purpose, which is to resize cartridges for the 300 AAC Blackout.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when operating the dies.
- Ensure that the work area is clean and free from obstructions before beginning the resizing process.
- Do not exceed the recommended load limits for your reloading equipment.
- Use a headspace gauge when setting up the full length sizing die to ensure proper adjustment.
- Handle all ammunition components with care to avoid accidental discharge.
- Do not leave the dies unattended while in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the FULL LENGTH SIZING DIES.
- Securely mount the dies into the reloading press according to the manufacturer's instructions.
- Adjust the die position to achieve the desired cartridge length using a headspace gauge.

### 2. Usage:

- Prepare your cartridge cases by cleaning them before resizing.
- Insert the cartridge case into the die and apply pressure using the reloading press.
- After resizing, remove the case from the die and check for proper dimensions with calipers or a gauge.
- Repeat the process for each cartridge case as needed.

## Disposal Instructions

- Dispose of any damaged or wornout dies according to local regulations.
- Recycle metal components where possible to minimize environmental impact.
- Do not throw dies in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the use of your FULL LENGTH SIZING DIES REDDING 300 AAC

BLACKOUT, please consult the manufacturer's customer support resources or your local reloading community for assistance.

By following these guidelines, you can ensure a safe and effective experience with your FULL LENGTH SIZING DIES REDDING 300 AAC BLACKOUT. Always prioritize safety and adhere to best practices during your reloading activities. Thank you for your attention to these important safety instructions.
