

# 6.5MM (0.264") HYBRID BOAT TAIL BULLETS - BERGER BULLETS

## 6.5MM (0.264") 140GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballistician and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

### Attributes

- Name: [BERGER BULLETS 6.5MM \(0.264"\) 140GR HYBRID BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749013736
- Mfr. No.: 26414
- Ballistic Coefficient (G1): 0.607
- Ballistic Coefficient (G7): 0.311
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 6.5mm, 264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: 0.287
- Quantity: 100
- Delivery weight: 1.111kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 679459264143

### Item details

# Safety Instruction Guide for 6.5MM Hybrid Boat Tail Bullets

## Introduction

Thank you for choosing the 6.5MM (0.264") Hybrid Boat Tail Bullets from Berger Bullets. This guide provides important safety information to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks associated with handling and using these bullets.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions and guidelines. This product is designed for specific applications and should only be used as intended.
- **Enhanced Recalls:** Stay informed about any recalls. If you receive a recall notice, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety regulations. Verify their return and recall policies.
- **Special Consumer Focus:** Extra caution is advised when using this product around vulnerable groups, such as children and inexperienced users.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Use Protective Gear:** Always wear appropriate protective gear, including safety glasses and gloves, when handling bullets.
- **Store Safely:** Keep bullets in a secure, dry place away from children and unauthorized users. Ensure that the storage area is wellventilated.
- **Avoid Heat Sources:** Do not store bullets near heat sources or in direct sunlight, as this may affect their performance and safety.
- **Check for Damage:** Inspect bullets for any signs of damage before use. Do not use damaged bullets.
- **Follow Local Laws:** Ensure compliance with local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

- **Loading Bullets:**
  - Ensure that your firearm is unloaded before beginning the loading process.
  - Use appropriate equipment for loading, such as a reloading press or hand tools designed for this purpose.
  - Follow the manufacturer's instructions for your specific firearm and loading equipment.
- **Firing:**
  - Always point the firearm in a safe direction when loading and firing.
  - Ensure that the firing area is clear of people and obstacles.
  - Use only in designated shooting ranges or safe environments.
- **Cleaning and Maintenance:**
  - Clean your firearm regularly according to the manufacturer's instructions.
  - Inspect the barrel and chamber for obstructions before each use.

## Disposal Instructions

- **Disposal of Unused Bullets:** If you have unused or expired bullets, follow local regulations for hazardous waste disposal. Do not dispose of bullets in regular trash.
- **Contact Local Authorities:** If you are unsure about disposal methods, contact local authorities for guidance on safe disposal practices.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 6.5MM Hybrid Boat Tail Bullets, please refer to the contact information provided by your retailer or manufacturer. It is important to seek clarification on any doubts to ensure safe usage.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 6.5MM Hybrid Boat Tail Bullets. Always prioritize safety and remain informed about best practices. Thank you for your attention to these important guidelines.
