

MATCH TARGET 6MM (0.243") FLAT BASE BULLETS - BERGER BULLETS 6MM (0.243") 64.2GR BR COLUMN FLAT BASE 1,000/CASE

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger Flat Base Target Bullets are often used by competitive benchrest shooters who seek the highest accuracy possible. Flat Base Target Bullets are often used out to mid-range distances of 300 yards or more where a boat tail is not applicable. Berger Flat Base Target bullets are match-grade quality and utilize a tangent ogive bullet design which makes these very easy to load, tune and shoot. Highly accurate, the Flat Base Target uses J4 Precision bullet jackets for construction. J4 Precision Jackets have a Total Indicated Runout (TIR) of +/- .0001 and extremely tight manufacturing tolerances.

Safety Instruction Guide for MATCH TARGET 6MM (0.243") Flat Base Bullets

Introduction

Thank you for choosing the MATCH TARGET 6MM (0.243") Flat Base Bullets by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

General Safety Guidelines

- Always handle ammunition and bullets with care.
- Store bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of reach of children and unauthorized individuals.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when loading and shooting.
- Ensure that your firearm is in good working condition and suitable for the specific caliber of these bullets.
- Never exceed the recommended load data provided by the bullet manufacturer.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for the 6MM (0.243") caliber.
- Verify that the bullet is seated properly in the cartridge case before firing.
- Inspect bullets for any signs of damage or defects before use.
- Avoid using bullets that have been exposed to moisture or other contaminants.
- Do not mix different types or brands of bullets in the same ammunition batch.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always point firearms in a safe direction and be sure of your target and what is beyond it.

Instructions for Installation and Usage

1. Loading the Bullets

- Gather all necessary equipment, including reloading press, dies, and components.
- Follow the reloading manual specific to your equipment and the MATCH TARGET bullets.
- Carefully measure and pour the appropriate amount of powder into the cartridge case.
- Insert the MATCH TARGET bullet into the case mouth and use the seating die to push it to the desired depth.
- Ensure that the bullet is seated firmly and that there is no excess crimping.

2. Shooting the Bullets

- Load the cartridges into the firearm magazine or chamber as per the manufacturer's instructions.
- Always check that the firearm is unloaded before cleaning or inspecting.
- When ready to shoot, aim at the target and ensure a safe backdrop.
- Pull the trigger smoothly and maintain control of the firearm throughout the firing process.

3. PostUse Care

- After shooting, clean your firearm according to the manufacturer's instructions to maintain its performance and safety.
- Dispose of any unused or damaged bullets in accordance with local regulations.

Disposal Instructions

- Do not dispose of bullets or ammunition in regular household waste.
- Follow local regulations for the disposal of hazardous materials.
- Consult with local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MATCH TARGET 6MM (0.243") Flat Base Bullets, please contact the appropriate authorities or visit the relevant safety information platforms.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MATCH TARGET 6MM (0.243") Flat Base Bullets. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important safety practices.
