

CLASSIS HUNTER 6MM (0.243") BOAT TAIL BULLETS - BERGER BULLETS 6MM (0.243") 95GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Classic Hunting bullets are specially designed to conform to SAAMI industry dimensional standards. This bullet line is designed to feed through the magazine of factory rifles while still retaining the bearing surface of the bullet forward of the neck. They feature the popular Berger Hybrid bullet design that makes them less sensitive to seating depth, while maintaining the highest possible ballistic coefficient. Purpose made bullets for more common hunting methods which includes shooting game at close to medium ranges in factory rifles. Make the most out of your next hunt with these bullets from Berger.

Safety Instruction Guide for CLASSIS HUNTER 6MM (0.243") Boat Tail Bullets

Introduction

Thank you for choosing the CLASSIS HUNTER 6MM (0.243") Boat Tail Bullets by Berger. This guide provides important safety information and instructions to ensure the safe use of this product in compliance with EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the bullets.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Use only in firearms that are designed to handle the specified caliber (6mm / 0.243").
- Follow all local laws and regulations regarding the use of ammunition.
- Ensure that the firearm is in good working condition and properly maintained.
- Always wear appropriate protective gear, such as safety glasses and hearing protection, when shooting.

Specific Safety Precautions for Use

- Do not use bullets that appear damaged or deformed.
- Avoid mixing different brands or types of ammunition.
- Always check the firearm's chamber to ensure it is empty before loading.
- Do not point the firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow the manufacturer's instructions for loading and unloading the firearm.
- If a bullet fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is empty.
- Insert the CLASSIS HUNTER bullets into the magazine as per the firearm's design.
- Close the action of the firearm.

2. Firing:

- Assume a stable shooting position and ensure a proper grip on the firearm.
- Aim at the target and ensure the area is clear of obstructions and people.
- Squeeze the trigger smoothly to fire the bullet.

3. Unloading the Firearm:

- After shooting, always point the firearm in a safe direction.
- Open the action and remove the magazine if applicable.
- Visually inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CLASSIS HUNTER 6MM (0.243") Boat Tail Bullets, please refer to the manufacturer's customer support resources.

Conclusion

By following the guidelines and instructions outlined in this document, you can ensure a safe and enjoyable experience with your CLASSIS HUNTER bullets. Always prioritize safety and responsible usage to protect yourself and others. Thank you for your attention to these important safety practices.
