

CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS - BERGER BULLETS 30 CALIBER (0.308") 168GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Classic Hunting bullets are specially designed to conform to SAAMI industry dimensional standards. This bullet line is designed to feed through the magazine of factory rifles while still retaining the bearing surface of the bullet forward of the neck. They feature the popular Berger Hybrid bullet design that makes them less sensitive to seating depth, while maintaining the highest possible ballistic coefficient. Purpose made bullets for more common hunting methods which includes shooting game at close to medium ranges in factory rifles. Make the most out of your next hunt with these bullets from Berger.

Safety Instruction Guide for CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS

Introduction

Thank you for choosing the CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling and usage of this product. Please read this document carefully to understand how to use the bullets safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Always handle bullets with care to prevent accidental discharge.
- Use appropriate eye and ear protection when using firearms loaded with these bullets.
- Regularly check for product recalls and safety alerts on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use damaged or deformed bullets.
- Always inspect your firearm before loading to ensure it is in proper working condition.
- Ensure that the bullet is compatible with your firearm's specifications.
- Follow the manufacturer's reloading guidelines if you are reloading ammunition.
- Avoid using bullets in firearms that are not designed for their caliber.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded before handling bullets.
- Gather all necessary tools and equipment for loading.

2. Loading Bullets:

- Carefully insert the bullet into the cartridge case, ensuring it is seated correctly.
- Follow recommended seating depths as specified by the bullet manufacturer.

3. Firing:

- Load the cartridge into the firearm's chamber according to the firearm's operating instructions.
- Ensure the firearm is pointed in a safe direction before pulling the trigger.
- Fire the bullet only when you are ready and aware of your target and backstop.

4. PostUse:

- After shooting, clean your firearm according to the manufacturer's maintenance instructions.
- Store any remaining bullets in their original packaging in a safe location.

Disposal Instructions

- Do not dispose of bullets in regular household waste.

- Follow local regulations for hazardous waste disposal.
- If you have unused or expired bullets, contact a local authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS, please refer to the contact information provided by the manufacturer or retailer.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience while using the CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS. Always prioritize safety and responsible usage.
