

CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS - BERGER BULLETS 30 CALIBER (0.308") 185GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Classic Hunting bullets are specially designed to conform to SAAMI industry dimensional standards. This bullet line is designed to feed through the magazine of factory rifles while still retaining the bearing surface of the bullet forward of the neck. They feature the popular Berger Hybrid bullet design that makes them less sensitive to seating depth, while maintaining the highest possible ballistic coefficient. Purpose made bullets for more common hunting methods which includes shooting game at close to medium ranges in factory rifles. Make the most out of your next hunt with these bullets from Berger.

Safety Instruction Guide for CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS

Introduction

Thank you for choosing the CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS by Berger Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of these bullets. Please read and follow all instructions carefully to minimize risks associated with their use.

General Safety Guidelines

- Ensure that you are of legal age and possess the necessary licenses to purchase and use ammunition in your jurisdiction.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Always handle bullets with care, treating them as if they are live ammunition.
- Use appropriate safety gear, including safety glasses and hearing protection, when handling and using bullets.
- Regularly check for any product recalls or safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always follow the manufacturer's guidelines for loading and using ammunition.
- Confirm that the bullet is compatible with your firearm's specifications before use.
- Inspect bullets for any signs of damage or defects before loading.
- Avoid using damaged or corroded ammunition as it may pose safety risks.
- Do not exceed the recommended load specifications for your firearm.
- Always point the firearm in a safe direction when loading or unloading ammunition.
- Keep your finger off the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and ensure it is unloaded.
- Insert the bullet into the chamber or magazine as per the manufacturer's instructions.
- Close the action of the firearm securely before firing.

2. Firing the Bullets:

- Take a stable shooting position and ensure your target is clear and safe.
- Aim carefully and squeeze the trigger gently to avoid jerking the firearm.
- After firing, keep the firearm pointed downrange until you are ready to unload.

3. Unloading the Bullets:

- Always point the firearm in a safe direction.
- Open the action and remove any remaining bullets from the chamber and magazine.
- Store unused bullets safely as per the storage guidelines.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.
- Ensure that all bullets are safely stored until they can be disposed of properly.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of CLASSIC HUNTER 30 CALIBER (0.308") BOAT TAIL BULLETS, please reach out to the appropriate local authorities or safety organizations for guidance. Always prioritize safety and compliance with local laws and regulations.
