Safety Instruction Guide for IMPERIAL CONVENIENCE PAK REDDING

Introduction

Thank you for choosing the IMPERIAL CONVENIENCE PAK from Redding. This pack includes Imperial Application Media and Imperial Dry Neck Lube, designed to enhance your reloading experience. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Use the product only for its intended purpose as described in this guide.
- Regularly check for any product recalls or safety alerts on the EU Safety Gate platform.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling the product.
- Ensure adequate ventilation when using the product to avoid inhalation of any vapors.
- Do not mix with other chemicals unless specified in the product instructions.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and free of any debris.
- Gather all necessary tools and materials before starting.

2. Using Imperial Application Media:

- Open the tin of Imperial Application Media.
- Apply the media to the desired surfaces according to your reloading needs.
- Store any unused media in a tightly sealed container to maintain its effectiveness.

3. Using Imperial Dry Neck Lube:

- Open the 1 oz. tin of Imperial Dry Neck Lube.
- Apply a small amount to the neck of the cases you are preparing for reloading.
- Ensure even coverage and avoid overapplication.
- Close the tin securely after use to prevent contamination.

4. Cleanup:

- After use, clean your workspace and any tools that may have come into contact with the product.
- Dispose of any waste materials according to local regulations.

Disposal Instructions

- Dispose of the product and any empty containers in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For inquiries regarding product safety or additional support, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Please use this product responsibly and in accordance with the guidelines provided.
