

# NATIONAL MATCH DIE SETS - REDDING 300 BLK NATIONAL MATCH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding National Match Die Set is for the serious match and military shooter. Each set includes a Full Length Sizing Die (non-bushing type), Taper Crimp Die, and Competition Bullet Seater. "Across the Course" and "Long Range" shooters have bought these dies individually for years at the NRA National Matches. Shooters that prefer the results of a separate taper crimp operation now have their needs packaged in a convenient die set.

# Safety Instruction Guide for Redding National Match Die Set

## Introduction

Thank you for choosing the Redding National Match Die Set for your reloading needs. This comprehensive guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before using the die set to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this die set.
- Always wear appropriate safety gear, such as safety glasses and gloves, while handling reloading equipment.
- Store the die set in a dry, secure location, away from children and pets.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines for the die set and any additional reloading equipment.
- Be aware of local laws and regulations regarding ammunition reloading and usage.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper handling of reloading components can lead to accidents, including explosions or injuries.
- Using defective or damaged dies can result in malfunctions during reloading.

### • Instructions for Avoiding Hazards:

- Always doublecheck that the die set is correctly installed and securely fastened before use.
- Do not exceed recommended load limits when reloading ammunition.
- Keep the work area clean and organized to avoid accidents.
- Avoid distractions while reloading; focus on the task at hand.
- Never attempt to modify or alter the die set in any way.

### • Age or Audience Specific Warnings:

- This product is intended for use by individuals who are 18 years of age or older.
- Ensure that inexperienced users are supervised by a knowledgeable adult when using this die set.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the die set from its packaging and inspect for any damage.
- Select the appropriate reloading press for your die set.
- Follow these steps to install the dies:
  - **Full Length Sizing Die:**
  - Insert the die into the press and tighten securely.
  - Adjust the die to the desired sizing depth as per your reloading specifications.
- **Taper Crimp Die:**
- Install the taper crimp die in the same manner as the sizing die.

- Set the crimp depth according to your preferred specifications.
- **Competition Bullet Seater:**
- Install the bullet seater die.
- Adjust the seating depth to ensure proper bullet placement.

## 2. Usage:

- Always refer to reliable reloading manuals for load data and reloading procedures.
- Follow the steps below when reloading:
  - Clean and inspect brass cases before resizing.
  - Use the sizing die to resize cases.
  - After resizing, use the taper crimp die to apply a crimp to the case mouth.
  - Finally, use the bullet seater die to seat the bullet to the desired depth.
- After reloading, inspect each cartridge for proper seating and crimp.

## Disposal Instructions

- Dispose of any damaged or worn components of the die set according to local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact local authorities for safe disposal guidelines regarding reloading materials.

## Contact Information for Further Support

For any questions or concerns regarding the Redding National Match Die Set, please refer to the manufacturer's website or customer service for assistance. It is important to have access to professional support for any safety inquiries or productrelated issues.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Redding National Match Die Set. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important instructions.
